

2018-2019

Maquoketa Valley Athletic Booster Club Annual Membership Drive

MV Athletic Boosters were established to raise funds to enhance and expand the athletic programs available to each student. Parental involvement is key to student success. While parents of athletes already participate in working concessions for athletic events, the monthly booster meetings are a way to learn more about funding for our athletic programs and to provide input as to how the boosters reinvest in the athletic programs.

➤ **Booster dollars are raised through our memberships and Concession Stand profits as well other fundraisers such as:**

Craft Show	Basketball and Volleyball tournaments
Mini Cat Track meet	Mini Cat Wrestling tournament
Softball and Baseball tournaments	3 on 3 Basketball tournament

➤ **Some enhancements funded in recent years include (but aren't limited to):**

- HUDL program for multiple sports (record/play games for review, used in game prep and college recruiting)
- Weight lifting program for all athletes
- New set U Max dumb bells for weight room
- Purchase and install video live stream in HS Concession stand, new steamer, proofer cabinet and other concession equipment
- Purchase and install indoor batting cage at the Earlville gym with indoor turf
- Mini Electronic Scoreboards
- Purchased and set up two new bleachers for Softball Diamond
- Electronic timing for Boys HS track meet
- Two Doctor Dish shooting systems for basketball
- New Uniforms and warm up gear for all sports
- Bats, batting helmets, head gear, mat tape, hurdles, shot, discus, baseballs, indoor pitching mounds, volleyballs, and other miscellaneous items
- Outdoor turf for the baseball & softball diamond areas, padding for baseball field, paid half of new flooring in SB/BB Concessions and bathrooms
