

Grease Is the Word

by Lalaina Rabary

This week's main characters are "THE GREASERS": Danny played by Philip Mueller, Kenickie played by Jake Norling, Doody played by Mike Salow, Roger played by Adam Ries and Sonny played by Adam Greybill.

These "Greasers" are the five studly guys of the show who like to talk the talk and at many times walk the walk. With their black jackets and slick hair they really do appear intimidating and appealing to the ladies. Their tough attitudes don't really help them in school, but they sure do add snickers and laughs to the show.

Come and see this gang strut their stuff along with the whole cast Nov. 14, 15, and 16.
