## Heartbreaker for Cats as They Lose to Monticello

by Miranda Knake

The Wildcats' record is 4-3 after playing Monticello last Friday night. The final score of the game was a close 16-14.

Coach Drew stated, "We have three games left and we are going to play at the level we are capable of. That means we have to come together as a cohesive unit and move as one."

Quarterback Justy Feldt made up the 248 passing yards and achieved one touch down against Monticello.

Our lead receiver was Robbie Mohr with 96 yards. He was followed by Jonny Thomas who had four receptions for 60 yards and made one touch down. Travis Klostermann had 50 receiving yards and Mike Sibel had 42. Dustin Helmrichs led in rushing with 31 yards. Feldt rushed 23 yards as well as Brent Klostermann. Mohr rushed 15 yards and Travis Klostermann rushed a total of 12 yards at the game.

"Dustin Glew was a standout defensively, but one player or even a few players cannot win a football game, it takes a team effort," commented Coach Drew.

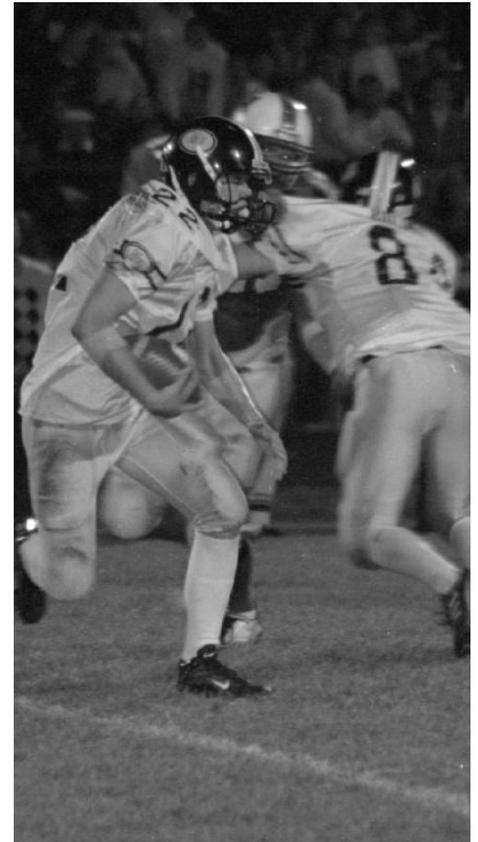

Dustin Glew and Jake Norlin each suc-

ceeded in 10 tackles against Monticello. Glew also had three quarterback sacks. Nathan Burger and Brian Hillebrand each made six tackles and had one quarterback sack. Mohr made five tackles and Blake Humpal, Brent Klostermann, Chad Ries and Helmrichs made four tackles. Jeremy Ronnebaum and Travis Mollenhauer both made three tackles and Tristan Miles, Jacob Bawek, Jorge Ramirez and Mike Sibel each had two tackles.

"We have to do a better job tackling," remarked Coach Drew. "This offensive line has to do a better job of opening up holes. The backs have to do a better job of finding and running through the holes. We have to get back to playing fundamental football."
