If you could go back in time, where would you go and why?

Heidi Arjes: Medieval times to find my knight in shining armor!

Jackie Melchert: To this morning, so I could sleep five hours longer.

Megan Besler: Last year, so I could go back to Florida.

Bill Durey: I'd go back to the night Tony went in the ditch, so I could tell him to slow down.

Allison Supple: To the 60's because they had awesome music.

John Eiben: I would go back and visit Jesus Christ so I could find out what really happened.

Michelle Durey: To the 80's because of the awesome music and dancing!

Melissa Schultz: When Albert Einstein was around because then maybe he could teach me some stuff.

Lalaina Rabary: When I met Sarah Tindell for the first time and she automatically became my will and inspiration to live.

Annie Ehlts: I would go back a couple of years and spend more time with my Grandpa before he died.

Sarah Tindell: Last Friday night.

Brittany Recker: To the 70's because people were more mellow.

Brian Schuster: To the Hindenburg and tell them they are all stupid and not to jump.

Tony Klostermann: To the Roman times.

Shawn Roling: I wouldn't go back in time because I don't want to live in the past.
