Dear Secret Admirer,

I must say, that's quite an interesting letter from a very interesting person. I'm not exactly sure how to give you any advice. But, it's great that you enjoy my column, now I at least know someone reads it! Thanks for the song too. Have you ever thought about being a songwriter for somebody like...Britney Spears? I mean seriously, it's really catchy! Well, it was great to hear from you-I hope you write again soon!

Love Always,
