Hall Smarts

by Aaron Dunham

Welcome back to the conclusion of battle for the classes. After last week's display of stupidity I decided to use easier questions this week, but trust me there are still blissful people out there. This week Jake Norlin and Bonnie Jaegar took on Zack Jones and Annie Ehlt.

Seniors Vs. Sophomores

1. If you have \$12 and your brother has \$3 how much money do you have?

Jake- \$12

Bonnie- \$12

Zack- \$15

Annie- \$12

Answer: \$12

2. Who shot Abe Lincoln?

Jake- John Wilkes Booth

Bonnie- John Wilkes Booth

Zack- George Booth

Annie- An assassinator

Answer: John Wilkes Booth

3. What country did Iraq invade during the first Gulf War?

Jake- Kuwait

Bonnie- Gulf of Mexico

Zack- Persia

Annie- United States

Answer: Kuwait

4. How many movies are in the Indian Jones Trilogy?

Jake- 3 (After very careful counting)

Bonnie- 3

Zack- 3

Annie- 3

Answer: 3

5. Is Iowa east or west of the Mississippi?

Jake- West

Bonnie- West

Zack- West

Annie- Depends which way you are looking at it (HAHAHAHA.... That deserves half a point)

Answer: West

At the end of the game the Seniors cream the Sophomores 9 to 4.5. I guess the questions weren't as easy as I thought. Zack failed to prove that the beard stood for maturity and Annie, well... yeah. Congratulations Seniors your prize is nothing..... I mean your prize is honor. 'Til next week remember ignorance is bliss.
