

## Meet The Freshmen

**Above:** This week's featured freshmen are Aaron Jay, Stefanie Brooks, Cody Recker, Hilary Yonkovic and Tyler Steger.

by Felicia Harbach

Another week, another set of faces. This week Tyler Steger, Aaron Jay, Hilary Yonkovic, Stefanie Brooks and Cody Recker share what opinions they have of high school.

This group had a general consensus of high school: fun. Hilary was also nervous; Stefanie and her buds will love it. Cody thought it would be pretty easy.

Tyler and Aaron team up in football and wrestling. Tyler will sprint his way through track, while Aaron will hit the court in basketball and the field in baseball. Hilary is in volleyball and will show more school spirit in volleyball and track. Stefanie wants to join the drama club, possibly make drill team, she's in choir, yearbook and newspaper and is a stat-taker for football. Cody is our busiest freshman yet! His activity list includes football, track, choir, band, play, musical, vocal jazz, newspaper and student council.

They also agree on another thing: ala carte is an awesome privilege, along with chewing gum and talking in study hall.

Our only freshman this week who have older siblings who are in high school or have already graduated are Aaron (Nick and Ryan), Stefanie (Kim) and Cody (Angie).

Spanish, science and algebra hit the favorite class list.
