Hall Smarts

by Aaron Dunham

This week for Hall Smarts I took the best of the best, the sharpest tools in the shed, the enlightened ones (OK that might be going a little too far). For this week I asked the only four people so far this year to get all five questions right. It was a battle of the Hall Smarts greats. Jake Norlin, Andrea Palmersheim, Audrey Salow, and Cody Recker.

1. What is Samuel Langhorne Clemens pen name?

Jake- William Penn

Andrea- Mark Twain

Audrey- Stud Muffin

Cody- Mark Twain

Answer: Mark Twain

2. What year did Iowa become a state?

Jake- 1846

Andrea- 1852

Audrey- 1854

Cody- 1926 (Nice)

Answer: 1846 (Come on look at your quarters)

3. Give the fourth name; John Lennon, Paul McCartney, Ringo Starr.

Jake- Sonny

Andrea- Bono

Audrey- Justin Timberlake (OH MY)

Cody- Kurt Cobain

Answer: George Harrison (You don't know the Beatles!)

4. What country is Tibet in?

Jake- Tibet is a country

Andrea- Laos

Audrey- China

Cody- China

Answer: China

5. Which of the Quad cities are in Illinois?

Jake- Moline

Andrea- Rockford

Audrey- The 4th one

Cody- Moline and Rockport

Answer: Moline and Rock Island (I'll give half a point for just Moline)

OH how the mighty have fallen.

Of course this time the questions were a bit more challenging. Cody wins, this pathetic little contest that really doesn't matter, with 2.5 points. Jake came in second with 1.5 points and Andrea and Audrey took home last with 1 point. What a contest. Until next week my advice to you be blissful.
