Hall Smarts

by Aaron Dunham

Hall Smarts is a great way to find out how much useless stuff fills someone's head. That's why this week none of the questions really matter in the big scheme of things (Except the last one might come in handy). This week's contestants were Beth Klostermann, Stefanie Brooks, Kasey Jones and Dave Mack.

1. What is the name of the dog from the comic strip Garfield?

Beth- Fido
Stefanie- Odie

Kasey- Odie
Dave- Smokey
Answer: Odie

2. In the game Monopoly what piece of property cost the most?

Beth- Boardwalk
Stefanie- Railroad Station
Kasey- Boardwalk
Dave- McPotts Estates
Answer: Boardwalk

3. Who replaced Johnny Carson on the Tonight Show? (This was a long time ago)

Beth- Jay Leno
Stefanie- Jay Leno
Kasey- Don't watch it (Really. You better not watch that David Letterman)
Dave- Jay Leno
Answer: Jay Leno

4. What superhero is Bruce Wayne?

Beth- Spiderman (Peter Parker)
Stefanie- Batman
Kasey- Batman
Dave- Superman
Answer: Batman

5. Spell photosynthesis.

Beth- P-H-O-T-O-S-Y-T-H-E-S-I-S
Stefanie- P-H-O-T-O-S-Y-T-H-E-S-I-S
Kasey- P-H-O-T-O-S-Y-T-H-E-S-I-S
Dave- P-H-O-T-O-S-N-A (At this point I assume he gave up) -P-C-R-A-C-K
Answer: photosynthesis

Stefanie and Kasey tied with four points each. Beth scored 3 and Dave had 1. Since this competition is pretty pointless I'll declare Dave as the victor because he didn't know all the useless stuff. Also because I don't want Kasey to win, he didn't know who hosts the Tonight Show. In my opinion that was the only topic that mattered.
