Ask Audrey

Dear Audrey,

My friends and I are so excited for school to be over and done with this year; but we have no idea what to do this summer! Do you have any suggestions?

-Undecided

Dear Undecided,

What my friends and I did was we made a checklist of what we wanted to do over the summer. We added things like Chinese-fire-drill day, and an extremely odd number of bon-fires. Hopefully these ideas can help you make a to-do list of your own.

Love Always,
Audrey
