Fall/Winter Activities Update

Fall activities gave us a lot to celebrate. We had a conference Champion volleyball team for the first time since 1996, state qualifying cross country boys team that placed 5th and Emma Doyl qualified as an individual. Our football team played well throughout the year and ended it on a 3-game winning streak. Our marching band got a lot of adults/kids involved and put on a great show each Friday night. The musical "Bright Star" was a must see performance and our FFA group attended Nationals. Our Dance Team will be headed to state competition on December 5th and have multiple performances throughout the Fall. We had many positives from the Fall and we now look forward to a successful Winter season with Basketball, Wrestling, Speech, Dance, Choir, Band and much more. Go Cats!

Volt Training Program Update

Since June our athletes have utilized a training program called Volt Athletics. We have seen tremendous growth in terms of overall strength, mobility and in many other ways that go unnoticed. Throughout the Fall our football, volleyball and cross country teams all utilized the program on a structured schedule that helped them stay strong and healthy throughout their seasons. Off-season athletes also utilized the program to prepare themselves for upcoming Winter or Spring sports. On any given day, there are 30-45 athletes that utilize the weight room with their respective teams and coaches. Currently, our Winter athletes are lifting two times per week with their respective teams and our off-season athletes are lifting three to four times per week to prepare themselves for an upcoming competitive phase. We look forward to seeing continued progress throughout the year. As a group we will have completed over 3,000+ workouts before the end of the week. Check the Maquoketa Valley Community Schools Facebook page to see more information about Volt and our athletes. Thank you athletes for the hard work you have put into it, coaches for helping supervise and motivate and to any of the parents who have helped get your son/daughter here for a morning workout. It is appreciated. **(continued on next page)**

"Spread the Warmth"

"Spread the Warmth" this holiday season by donating hats & mittens. Again this year in all Elementary and the Middle School commons area, holiday trees will be set up ready to collect hats, mittens, and scarves for students who need a little extra warmth this winter season. We will also be collecting items for the food pantry. Your child can bring the items to the office area or add them to the tree themselves. All hats & mittens will be donated to students and local agencies in the area to be distributed to children. We will be collecting the items until Monday, December 16th. Together we can "Spread the Warmth" this holiday season.

With winter and the cold weather upon us, we remind you that our building temperatures are set at 65 degrees. Parents are encouraged to dress your children appropriately. It is perfectly acceptable for your child to wear a sweater or sweatshirt in class in order to stay comfortable.

MV reports their school closings and cancellations to 3 TV stations: KGAN (2), KWWL (7), and KCRG (9) by 6:25 am. They also report them to these radio stations: KMCH and KDST. If you would like to be added to the MV Text alert, contact Cheryl Gates at 563-922-2091.

Iowa High School and National Federation of State High School

Athletic Associations

Memo

Enclosed below is a memo from Tom Keating, Iowa's newly hired Executive Director of the Iowa High School Athletic Association (IHSAA), in conjunction with Karissa Niehoff, Executive Director of the National Federation of State High School Associations. This memo is a reminder from these Executive Directors of what appropriate adult behavior should be at our athletic events. Across the nation, and including Iowa, we have seen a significant increase of inappropriate adult behaviors at all levels of our athletic events. In the data that has been collected this has reached epidemic proportions.

When more than 2,000 high school athletic directors were asked in a recent national survey what they like least about their job, 62.3 percent said it was, "dealing with aggressive parents and adult fans."

And the men and women who referee or umpire those contests agree. In fact, almost 60 percent of new officials registered in Iowa in 2016-17 did not return to officiate in 2017-18, and unruly parents are often cited as a major reason why. As a result, there is a growing shortage of high school officials here in Iowa, and in baseball, football, track and field, and wrestling, the IHSAA is seeing record lows. No officials means no games.

If you are a parent attending a high school athletic event this year, you can help by following these six guidelines:

1. **Act your age.** You are, after all, an adult. Act in a way that makes your family and school proud.
2. **Don't live vicariously through your children.** High school sports are for them, not you. Your family's reputation is not determined by how well your children perform on the field of play.
3. **Let your children talk to the coach instead of doing it for them.** High school athletes learn how to become more confident, independent and capable—but only when their parents don't jump in and solve their problems for them.
4. **Stay in your own lane.** No coaching or officiating from the sidelines. Your role is to be a responsible, supportive parent, not a coach or official.
5. **Remember: Participating in a high school sport is not about a college scholarship.** According to the NCAA, only about two percent of all high school athletes are awarded a sports scholarship, and the average total value of that scholarship is only around \$18,000.
6. **Make sure your children know you love watching them play.** Do not critique your child's performance on the car ride home. Participating in high school sports is about character development, learning and having fun—not winning and losing.

Purchasing a ticket to a high school sporting event does not give you the right to be rude, disrespectful, or verbally abusive. Cheer loud and be proud, but please also be responsible and considerate as a spectator. The future of high school sports in Iowa is dependent on you.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

**SCAN
YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
