

ADVISORY COMMITTEES TO THE BOARD

Whenever it deems advisable, the Board will appoint various advisory committees to counsel it as one means of discerning the needs and desires of the school district and its residents. The central purpose of all advisory committees is to contribute to the educational program by conducting studies, identifying problems and developing recommendations that will enhance the effectiveness of the decision-making process. The ultimate authority to make decisions will continue to reside in the powers and duties of the Board as imposed by law.
