

PRACTICES AND REHEARSALS

No locally sponsored school activities are to be scheduled on Wednesday evenings. This evening is designated as "Family/Church Night" to allow local area churches and families to conduct their activities.

There shall be no Sunday practices, rehearsals, meetings, parties or performances held in or on school property under the direction of the school without prior approval of the appropriate building principal or superintendent and the approval of the parent or guardian of the individual student.

Practices, rehearsals, meetings, or parties are not to be scheduled on Saturdays or on the days of scheduled vacation periods without the prior approval of the appropriate building principal. The principal will then see that proper notification is made to all parties involved via the weekly calendar or other written notice.

When student activity practices are scheduled for the evening, all practices shall end at/or before 9:30 p.m. when school is scheduled to be in session on the following day.
