

OUTSIDE RESOURCE PEOPLE

The Board of Directors recognizes that one of the greatest resources of the school system is to be found in the people of the community who have special knowledge and particular talents to contribute to the school program. The Board of Directors, therefore, encourages the use of community resources and citizens to assist in furthering the educational program. Use of outside personnel and resources shall be under regulations as approved by the Superintendent of Schools

It is a matter of courtesy as well as a method of providing knowledge of the presence of these outside resource people for the classroom teacher to notify the principal at least one week in advance of the expected attendance of the speaker.
