

Special activities planned for next Friday

by Brittany Sabers

Who's ready for CHRISTMAS BREAK?! What better way to kick off the holiday than with some fun activities to enjoy with all your classmates? On Friday, December 22 we will have another fun-filled day. The festivities will begin right away in the morning.

From 8:00 - 9:15 student council will host another lip sync battle. During this time we will also listen to the band play and watch speech performances, and the student council has prepared a skit for us as well.

From 9:20 - 10:05 the juniors will attend a college panel to have several questions answered about their futures from Maquoketa Valley grads who have kindly take their time to come back and speak to the juniors and seniors.

From 10:10 - 10:55 the seniors will attend their college panel, very similar to the juniors.

From 11:00 - 12:00 will have an hour of code in our seventh hour classroom.

Then we have lunch from 12:00 - 12:30 as usual.

The last part of our shortened day will be spent listening to our guest speaker Keith Kramer from 12:30 - 1:00. Keith will speak to us about skills that will be very useful to us in the near future and for many years to come; these skills include soft skills and employability skills.

DON'T FORGET YOUR UGLIEST SWEATERS FOR THIS DAY!!

Band, vocal Christmas concert next Thursday

by Kelly Winter

Next Thursday the 21st, the high school band and choir will be performing a Christmas concert.

Both the Jazz band and concert band will be playing their Christmas music that they've been practicing since October.

The choir will also be singing. Jenna Nefgzer mentioned, "There are a lot of crazy intense and challenging pieces,

Jazz band makes a comeback

Jazz band members include, front row: Miguel Bojorquez, Logan Johnson, Madeline Gellersen, Hunter Glass, Maddie Lahr and Zach Digman; back row: Jordyn Kemp, Ryan Dunn, Tate Trenkamp, Kristin Lucas, Andrew Kloser, Alex Digman, Tony Offerman, Kelly Winter, Nick Gibbs, Megan Beaman, Allison Dunn and director Mr. Ford.

by Maddie Lahr

So the topic of jazz band the past few years has been very little to nonexistent at all. Mr. Ford is here to try and change that.

He says that he brought back jazz band because he is a fan of jazz band. He also said that it is a great learning experience and a lot of his favorite memories from high school were from jazz band. Students rehearse before school Thursday morning. Participation is voluntary.

The dates that are set for the jazz band to perform are December 21, March 15, May 1, and they are planning to compete at UNI on February 9. So mark your calendars because jazz band is back for good.

There is also a middle school jazz band. Mr. Ford also says that this year he is hoping to teach the students how to swing (as a musical term not swinging from a swing on a playground, yes I know that is what you are thinking). He is also hoping to improve the high schoolers' ability to improv and to teach them to have fun on stage.

The concert will be held in the church across the street from the school at 7:00. Admission is free. See you there!

Mr. Ford has a lot of plans for this year but let's hear what the students have to say. Jordyn Kemp, who plays bass guitar, says that she enjoys jazz band. She also says that it is different from concert band because there are different rhythms and keys. Andrew Kloser says that he enjoys it because he enjoys being around Mr. Ford. He also says that jazz band is different from concert band because he gets to stand the whole time as a trumpet player.

Wrestlers pick up some wins

by Chance Downs

Last week the Maquoketa Valley Boys' Wrestling Team competed at North Linn and Aplington Parkersburg.

The Wildcats started off their week at North Linn with three duals. The Wildcats dominated their opponents of Central City, North Linn, and Ed-Co. Individual results from last Thursday:

MV dominated Central City 60-12. Earning wins by fall were: Tim Harmon at 1:33, Robert Hildebrand at 0:22, Mitch Smith at 3:19 and Canyon Richardson at :47. Winning by decision were Cole Kruse 3-1 and Michael Feldmann 2-1. Earning wins by forfeit were Chance Downs, Isaac Kramer and Dylan Happel.

MV defeated North Linn 48-28. Hildebrand won by fall at 1:49. Winning by forfeit were Downs, Smith, Evan Elgin, Cole Kruse, Feldmann, Chance Kemp and Deecel Staner.

MV finished the night with a 45-34 win over Ed-Co. Earning pins were Downs at :31, Hildebrand at 3:42, Kramer at 3:40, Happel at 3:37, Cole Kruse at 3:12 and Feldmann at 1:50. Smith won by a 6-4 decision. Parker Sternhagen won by forfeit.

Coach Andrews said it was a good night for the Wildcats. "We had guys step

up who weren't necessarily feeling 100% and still got the job done which led us to beating some quality teams."

After a successful night of duals, the Wildcats loaded up once more on Saturday to compete at Aplington-Parkersburg at the Keith Vry Invitational. The Wildcats were only able to send three wrestlers into the varsity tournament: Downs at 145 pounds, Hildebrand at 152 pounds, and Smith at 160 pounds. After a long day of wrestling, two out of the three earned a medal. Both Downs and Smith placed third in their respective brackets.

"Although we only had three guys competing at the varsity level, I was very proud of how they competed," stated Coach Andrews. "We picked up some quality wins and also learned what we need to improve upon as we inch closer to the 2nd half of the season."

This past Tuesday the Maquoketa Valley Wrestling Team traveled to Clayton Ridge for a small dual between the Eagles and the Postville Pirates. The Wildcats swept the night with two impressive wins. MV tamed the Eagles 66-9. Those who won by fall were: Cole Kruse at 3:08, Hildebrand at 0:59, and Smith at 1:31. Those who received forfeits were: Kramer, Feldmann, Lane, Sternhagen, Aden Atwell, Richardson, Harmon, and Downs.

Next, the wrestlers moved on to face Postville. The Wildcats sunk the pirates in dominating fashion 57-21. Those who won by fall were: Cole Kruse at 3:18 and Harmon at 1:01. Those who won by decision were: Feldmann 7-3. Those who won by forfeit were: Carter Kruse, Happel, Downs, Hildebrand, Smith, and Kramer.

"Overall I liked what I saw to-night as far as effort and progress," stated Coach Andrews. "It was good to get some more guys healthy and back in the line up. Hopefully we can keep it rolling as we head closer to the 2nd half of the season."

Girls continue to show strength in conference

by Kara Orcutt

Last Tuesday, the Wildcats traveled to Central City. The girls were ready to play and took the court with lots of energy.

At the end of the first of quarter, the Wildcats were leading 24-4. The Wildcats kept the energy up and outscored Central again in the second quarter, 19-4, leading into halftime with our Cats on top, 43-8. After the half, the MV Wildcats came out a bit slower than before, but still managed to stay above the CC Wildcats. The girls added a W to their schedule with a final score of 53-23.

Leading scorers at Central City were Payton Ries with 14 points and Gracie Gellersen close behind her with 11 points. The top rebounder for the night was Ries with 8 boards, with Maci Freiburger and Lydia Helle tied behind her with 7 a piece. JV girls also got away with a win.

Coach Moenck stated, "We got off to a very good start our energy level was very high and we did a good job of making the extra pass for a better shot."

Last Friday, the Wildcats took

the road to Lisbon. The girls came out to an unusual slow start but were able to keep the lead above the Lions, ending the first quarter 17-7. While struggling to stay in a rhythm, the girls lead into half 29-12. After halftime, the Lions continued to make the Wildcats work hard. The Wildcats were able to come out on top, finishing 59-36.

The leading scorer at Lisbon was Sam Wall with 25 points and the leading rebounder was Macy Hoeger with 6 boards. "This wasn't one of our better games of the year," Coach Moenck stated. "But our kids did find a way to get the win. I am proud of the fact that we didn't give up and we kept plugging away." JV Wildcats also won, beating the Lions 63-10.

Stats for Tuesday's win against Alburnett will be featured next week.

Tonight the Wildcats will take on 2A's No.1 ranked North Linn Lynx in Delhi starting at 7:30! Pack the stands with Wildcat support!

Madison Imler and Abby Holtz recognize Coach Moenck on his 200th career win which he earned Dec. 8.

Boys basketball looks to be more disciplined, continue with well-rounded scoring

by McKenzie Lansing

The boys played their first game at home on the first. They played Edgewood-Colesburg. The final score was 47- 63, a loss for your Wildcats.

"Friday nights game was a nice test for us to see where we are early in the season. I know ED-CO is a quality team that seems to be playing well to start this season," stated Coach Dunlap. He continues, "They have good length and we expected to see a lot of pressure from them up the court. At times we handled that pressure and got some good looks offensively, but we also had breakdowns and did not handle the pressure well. Particularly in the second quarter we had some turnovers and too many fouls. We did not find the gaps in the press and made some bad passes. We made a nice run in the third quarter and were within seven points of Ed-Co but just couldn't seem to get it going offensively in the second half."

Top scorers of this game were Tyson Tucker, Garrett Hogan, Andrew Holtz, Trevor Elgin, and Brian Heims. Tyson led the team with 13 points. Garrett and Andrew each ended the game with 7 points. Elgin and Heims each scored 5 points.

Leading in rebounds was Tucker, Hillers, Elgin, and Heims. Tucker led with a total of 6 rebounds. Brock followed with 5 rebounds. Trevor and Brian each picked up 4 rebounds.

"I thought Tyson Tucker had a nice game for us leading in rebounds and points. Brian Heims also played well off the bench and is a strong presence in the paint for us."

Garrett Hogan led in steals with 5 total. Brian Heims led in assists and had 4 total.

"Garrett Hogan had a bunch of steals for us but also got into foul trouble," says Coach Dunlap, "We have a lot to work on this season but I am excited about who we have to work with. These Wildcats will find a way to be successful."

The Cats played a physical game on the fifth at Central City. In the first half each team fought against each other until the last second. However, in the end the boys fell to Central City with a final score of 57-49.

Coach Dunlap stated, "Central City is a well balanced team with height and quickness, and are much improved from last season. You can tell they played

Tyson Tucker moves around the Alburnett defense last Friday night. He led the team in scoring that game with 12 points.

a lot of basketball in the off season. Every time we play them it is as physical a game as we will play. This one was no different." Top scorers of this game was Tucker, Hillers, Elgin, and Gibbs. Brock and Tyson each put up 12 points total. Trevor scored 10 points for the team. Gibbs followed with 7 points.

"There were 37 fouls in the game. This became an issue for us having three starters in trouble for much of the game," Coach Dunlap said. "We also struggled to capitalize with our free throws when we went to the line. We shot only six for 22 from the free throw line."

Leading in rebounds was Tucker with 11 total. Gibbs followed with 10 total. Hillers and Elgin each picked up 7 rebounds.

"The game was a tight game and we were down only three points with a minute left. We played really well at time and really ugly," said Dunlap. "We did have some positives. We had three players with double digit scores. Tyson Tucker scored 12 points, 11 rebounds and 4 steals."

The boys played on the eighth at Lisbon. The boys finished the game with a final score of 62-56, a win for the Lions.

Coach Dunlap commented, "We had a decent start at Lisbon but struggled to get our offense going at the end of the first quarter. Down ten to 20 in the second quarter it took most of the game to chip our way back into the game. We were once again with in one score of the opponents in the last couple minutes of the game."

Leading in points was Hillers, Tucker and Elgin. Brock scored 18 points total. Tucker scored 15 points. Trevor followed with a total of 11 points.

Leading in rebounds was Tucker

with 11 total rebounds. Elgin picked up 7 rebounds. Gibbs had a total of 5 rebounds.

"Brock Hillers had a nice night scoring 18 and Tyson had 15 points and 11 rebounds," Coach Dunlap stated. "Once again we had foul troubles and free throw shooting issues. We also failed to defend Lisbon's best player (Brett Givens) who scored 27 on us."

Elgin scored 55.6% of his two-point shots. Brock and Tyson led in assists, each with two. Garrett Hogan and Tucker both led in steals with two each.

"Our focus needs to be better on defense and we need to be more disciplined...fewer fouls. We also need to be able to have some toughness and win those close ones," commented Coach Dunlap.

The Wildcats started their week with a game at home on Tuesday. They faced the Pirates from Alburnett and unfortunately lost with a final score of 38-72.

Our top scorers of this game were Tucker, Heims and Hillers. Tucker led with 12 points total. Brian scored 7 points for the team. Hillers followed with 6 total points.

Leading in rebounds was Tucker with 6 total rebounds. Elgin and Gibbs each picked up 3 rebounds.

Elgin led in assists with 3 total. The teams free throw percentage did improve, this time making 10 of 18 shots total. Heims contributed to this, making 5 of 6 free throws. Tyson also made 75% of his free throws. Garrett Hogan made 75% of his two- point shots. Tucker had a nice night from the three- point line, making 60% of these shots.

The boys will play on Saturday at home against Midland. Come out to support the Cats!

STUDENTS OF THE WEEK

Macy Hoeger, Madeline Gellersen & Dany Schuman

What have you been working on in Fashion Design?

Dany: Right now I am working on a pajama shirt and pants for myself.

Macy: Right now, I am sewing a quilt.

Madeline: Last week I finished my pajamas and this week I am working on pajamas for my dog to match.

What skills have you learned from this project?

Dany: I have learned how to hem, put on buttons, and an elastic band for the waist. I have also been able to learn several of the terms and buttons on the machine that are essential to sewing.

Macy: I have learned to be patient and to pay attention to detail. My quilt has a lot of lines that need to match up.

Madeline: I have learned a lot and continue to learn a lot of new things every day. From my pajama top I learned how to make a pocket, a collar, button holes, sewing on buttons, along with learning how to use interfacing. When I am finished with my dogs pajamas, I will have learned how to use bias tape, and how to sew on velcro.

Why does this project matter to you?

Dany: It's fun project to do and it's something that I will wear all the time. It's also awarding to know that I made it myself.

Macy: I've been learning a lot of good skills about sewing that I can use in the future.

Madeline: I started sewing a year ago at home and never really understood how to read patterns along with sewing fabric into clothing. Every project that I do I try to learn how to do something new. Mrs Downs always tells us the different tricks that she has when it comes to sewing our different projects together. This project means something to me because I work hard on it every day and want it to turn out in the end.

Athletes of the Week

Name: Robert Hildebrand

Sport: Wrestling

What do you enjoy most about wrestling? How competitive the sport is and how your fate is all up to yourself.

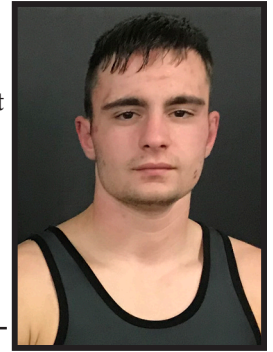

What's something about wrestling that others might not know?

Wrestling is a lifestyle. During the season we live, eat, and breathe wrestling.

How do you mentally prepare for a match? I just cheer on my teammates and that gets me pumped.

What's your goal this season? State place winner

Who's your wrestling role model? Jared Coyle

Name: Gracie Gellersen

Sport: Basketball

What position do you play? forward

What do you enjoy most about playing basketball? I like that it's a team sport. Everyone on the court works together towards a common goal.

What's something about the sport that others may not know about? You need a strong mentality, and always have a goal in mind.

What's been a favorite basketball memory? One of my favorite memories was when all the seniors were in a van with Jesse driving to Wartburg in the summer, and we stopped at a red light. We all opened our doors, jumped out, ran around the van, and jumped back in (Chinese fire drill). Before we knew it, we got pulled over. It was a great way to start our summer! I also really enjoyed Spirit Lake this summer with my teammates.

Who's your basketball role model? Brianna Mensen

Happiness is something everyone wants to reach within their lives, but is trying too hard ultimately making you sad?

That statement seems impossible, but the more I thought about it the more it made sense, especially in today's society.

The two biggest things that drive people are money and happiness. While striving for the American Dream, people are losing themselves in the lights. Getting lost in the lights often leads to people forgetting about the important things in life. Trying too hard to be happy, is getting lost in the lights. You can decide how to react to things and your outlook, but trying to control this is nearly impossible.

So in the end, don't try so hard to be happy that you are faking it. Go with the flow, have a positive outlook, and always remember everything will be okay.

Netflix & Chill

by Emma McDowell

Gremlins- Yes, this 1984 classic is a Christmas movie. Despite the slightly creepy and horrific mogwai creatures, *Gremlins* is set around Christmas time which is enough to qualify it as a holiday movie. As a movie, it might not be as heartwarming as traditional Christmas movies, but it's still a fun watch. The special effects used to make the mogwais were pretty advanced for the time, and while they look cheesy now, they're still impressive. Overall, the movie is pretty cheesy in modern day. Horror movies have drastically changed, and it's easy to see stark contrasts between modern and older movies. *Gremlins* is a good throwback classic that adds variety into a traditional holiday movie marathon. There's ugly creatures, caroling, and 80's clothes, what more could you ask for in a Christmas movie?!

by Emma McDowell

While getting swept up in the Christmas spirit, some of us forget that there's other holidays to celebrate. It's important to learn about other cultures and traditions, so I present to everyone 10 fun facts about Hanukkah!

- Hanukkah is a holiday that celebrates Jewish rebels reclaiming a destroyed temple from a Syrian-Greek army. After reclaiming the temple they only had enough oil for one day, but it lasted for eight days!
- Anywhere from 17- 24 million jelly donuts are eaten in Israel during Hanukkah as a traditional treat.
- Other Jewish holidays, such as Passover, is much more important in the religion.
- Lots of traditional Hanukkah food is fried in oil in order to celebrate the miracle of oil.
- Hanukkah has no set date, it changes every year according to the Hebrew calendar.
- A man named Avram Burg has the largest dreidel collection clocking in at around 3,500.
- Money was a traditional gift for Hanukkah until Christmas started influencing the holiday and people started giving gifts instead.
- Because the word is translated from Hebrew to English, there are nearly 16 different ways to spell Hanukkah.
- In 1979, Jimmy Carter was the first president to recognize the holiday with a special menorah lighting ceremony.
- Candles are placed in the menorah from right to left each night, but lit from left to right.

Hall Smarts

by Brody Sevant

Welcome to a very merry Hall Smarts. The holidays are quickly approaching us, so I saw it only fit to have a festive theme. This week we are going to be looking at some Christmas jingles with Mrs. Hunt, Teige Hunt, Brenden Hogan and Mr. O. They must finish the verse!

White Christmas: Where the treetops
 Hunt: glisten and children listen
 Teige: glisten and the children listen
 Brenden: covered with snow
 Mr. O.: sway and glisten
 Answer: glisten and children listen

Frosty: There must have been some magic
 Hunt: In that old top hat
 Teige: In that old top hat
 Brenden: in the air, or the hat
 Mr. O: in that nose
 Answer: In that old silk hat

Rudolph: But do you recall
 Hunt: The famous reindeer of all
 Teige: The most famous reindeer of all
 Brenden: one Christmas eve
 Mr. O: The most famous reindeer of all
 Answer: The most famous reindeer of all

Holly Jolly: Oh ho the mistletoe
 Hunt: hung where can see
 Teige: hung up on the tree
 Brenden: Hung where you can't see
 Mr. O: something you can see
 Answer: hung where you can see

Those were some tough ones, Wildcats, but you all did wonderful. Make sure you get work caught up soon because the holiday break is nearing. Have a merry weekend.
