## Students score well on national test

by McKenzie Lansing

Maquoketa Valley strives to find new ways to prepare students for the future. This year they offered a new college class, taught by Mrs. Moenck, called Pre-Employability Strategies. This class helps students with various skills they will use in the workforce. Already, students have created a resume, cover letter, reference list, and learned various soft skills and interview skills. In December the students of the class took about a three hour test called the NCRC which was spread throughout three days.

NCRC stands for National Career Readiness Certificate. The assessment tests a student's "real-world" skills using everyday math and reading situations. This test can be valuable because it can predict how students will perform in the workforce. The test was free for students to take and many career pathways find it useful.

By taking this ACT WorkKeys assessment, students will walk away with a certificate that tells employers about their skills and abilities in several areas. The subjects the students test over are as

follows: applied mathematics, workplace documents (reading and comprehending written documents such as emails, memos, policies, websites, regulations, etc.), and graphic literacy (interpreting graphs, forms, diagrams, floor plans, charts, order forms, etc.). After each test students receive a score of how well they understand each topic. A score six or higher is considered a Platinum, five is a Gold, four would be Silver, and three is a Bronze. The lowest score of the three tests determines the overall score. Some employers will look at the level of the certificate during the hiring process.

The current Pre-Employability Strategies class has seven students. Overall, two students received a Platinum, one received a Gold, three students received Silver scores, and one student received an overall Bronze. Digging a little deeper, in the Applied Math category the class had: four Platinum scores, one Gold, two Silver and no Bronze. In the Workplace Documents (Reading) the class received: two Platinum, two Gold, two Silver, and one

Bronze. In the Graphic Literacy (Analyzing Data) the class had: four Platinum, three Gold, and no Silver or Bronze. The average overall score in Delaware County is a Silver. Therefore, six of the seven students received an overall score at or above average for our county. Our students especially excelled in the Graphic Literacy where all students scored a Gold or above, which is very impressive.

Mrs. Moenck stated, "Students took the NCRC very seriously and a friendly competitiveness took over the classroom in the weeks before the assessments, pushing the students to do their best work."

She also had information about the proctor of the test, "Our proctor, Holly Maurer from NICC, mentioned that our students at MV were some of the most prepared and enthusiastic testers that she has worked with during the NCRC process." Mrs. Moenck continued, "I am very proud of these students, the work that they have put forth, and their overall success!" The proctor, Holly Maurer, is allowing students to retake specific tests if they wish to do so.

# Boys fight in close battles, defeat CV Christian

by McKenzie Lansing

Happy New Year Wildcat fans! Since school is back in full swing, so is the boys' basketball season! Before leaving for break, the boys travelled to Calamus-Wheatland. Unfortunately, they lost a close game with a final score of 57- 48, a win for Calamus-Wheatland.

Leading in points was Tyson Tucker, shooting over twenty times and scoring 15 points. Trevor Elgin followed close behind Tucker, scoring 14 points for the team. Brian Heims scored 7 points for the team.

Our rebound leaders were Tyson Tucker, Heath Gibbs, Brenden Hogan, and Trevor Elgin. Tucker picked up 10 rebounds. Gibbs had a total of 6 rebounds. Elgin and Hogan each had 5 rebounds.

Leading in both assists and steals was Trevor Elgin. Trevor had 2 assists and 3 total steals. Brian Heims had a nice making 100% of his two point shots. Elgin also had a nice night from the free throw line, making 4 of his 4 shots. The team as a whole did a much better job from the free throw line, making 66.7% of shots.

Before break ended, the boys played this Monday at East Buchanan. Again battling hard against the Buccaneers but falling with a final score of 58-47.

Leading in points was Tyson Tucker, with 15 total points. Trevor Elgin followed with 12 points. Brian Heims and Andrew Holtz each scored 6 points.

Our leaders in rebounds were Tyson Tucker, Cole Willenbring, Trevor Elgin, Heath Gibbs and Brian Heims, each picking up 4 rebounds.

Tyson Tucker had a nice night at the free throw line making over 50% of his shots. Tucker also led in assists with 7 total. Trevor led in steals with 4.

The boys will competed at home last Friday against Prince of Peace. After an extremely close game, the boys fell to the Irish in the last few seconds with a final score of 52-54.

"I thought the game went well. We had a really nice third quarter and a lot of looks in the paint," stated Coach Dunlap. "We took the lead three times in the first quarter but we struggled in the second quarter which hurt us. We had too many turnovers and fouls, which we really can't control fouls. We outrebounded Prince of Peace which is good."

**Andrew Holtz looks to make a pass during the Prince of Peace game last Friday night. (photo by Lesa Parmely)**

Leading in points was Trevor Elgin with 21 points. Tyson Tucker followed with 11 points. Cole scored 7 points total.

Coach Dunlap stated, "Because we had a lot of easy looks in the paint but we didn't finish, if we had a couple more of those, we would've won the game. We had a lot of nice three point looks that went in and out. If we put some of those down we would've won the game."

Leading in rebounds was Trevor Elgin, Tyson Tucker, Cole Willenbring, and Heath Gibbs. Elgin had a total of 10 rebounds. Tucker had 7 rebounds. Willenbring and Gibbs each picked up 4 rebounds.

Leading in steals was Cole Willenbring and Trevor Elgin, each with 2 total. Andrew had 3 assists. Trevor Elgin also made over half of his 3 point shots.

"I thought Trevor Elgin and Tyson Tucker had a really good game. Trevor had a double- double which is excellent," Coach Dunlap commented. "Andrew Holtz is playing like we need him too. He is being more aggressive offensively and getting to the rim more, but we still need him to shoot more."

Next, the boys had a game on Tuesday at Springville against Cedar Valley Christian. They had a close first half and eventually won with a final score of 58-41.

"As a team we almost tripled them in rebounds. We shot almost 70% from the free throw line," said Coach Dunlap.

Leading in points was Trevor Elgin, Heath Gibbs, and Tyson Tucker. Trevor scored a total of 31 points. Heath scored 10 points total. Tyson scored 8 points for the team.

Leading in rebounds was Tyson Tucker, Trevor Elgin, Heath Gibbs, and Cole Willenbring. Tyson, Heath, and Trevor had 10 rebounds each. Cole followed with 4 rebounds.

Trevor Elgin had an excellent night, making 12 of his 18 two- point shots as well as making 5 of 8 of his three point shots. He also led in steals with Heath Gibbs, each having 2 steals. Cole Willenbring had an outstanding 5 assists. As a team, they did better for free throws, making 9 of 13 shots.

"Trevor Elgin had an outstanding game. He had a double- double and he scored 31 points which is pretty unheard of. He also had 10 rebounds and shot 5 for 8 from the three point line which is outstanding especially from that far away," commented Coach Dunlap. "We got the first double-double out of Heath for the season which is great. Tyson was also one bucket away from also having a double-double. Tyson was sick so he didn't play as much as he usually does but he had a really nice second half and had ten rebounds."

The boys play tonight against Marquette Catholic at home. Come out and support the Cats for Pink Out!

# Girls continue to show prowess

After a couple weeks without any games, the Wildcats were eager to get back to playing!

The girls kicked off the new year by traveling to Winthrop to take on East Buchanan Jan. 2. The Wildcats took the floor ready to go, getting up early over the Bucs, 21-12 after the first quarter. Staying strong through the first half, the Wildcats stayed on top, leading into halftime with a score of 38-22. The Wildcats weren't done yet either! After the half, the girls were able to put up 22 more points, 11 from each quarter, contributing to a final score of 60-42.

Helping the Wildcats to their success was Sam Wall with 23 points, and Payton Reis with 11 points. The leading rebounder for the night was Macy Hoeger with 9, and following right behind here was Maddy Anderegg with 8.

The JV Wildcats also got away with another win, finishing 59-15. What a great way to start off the new year!

Last Friday, the Wildcats hosted Prince of Peace Irish. The Wildcats came out to an unusual slow start, and it took awhile for the girls to get up to speed! Leading into halftime, the score was 30-15 with your Wildcats on top! Luckily, after a few words of encouragement from Coach Moenck, the girls came out stronger than ever, putting up 50 points in the second half, to POP's 12. The final score for the

night was 80-27.

Leading scorer on Friday was Sam Wall with 25 points and following her was Macy Hoeger with 10 points. The leading rebounder for the night was Emerson Whittenbaugh with 7, with Brooke Wilson and Sam Wall tied behind her with six a peice!

Tuesday's stats of MV's win over Cedar Valley Christian will be posted in next week's issue.

Tonight, the Wildcats will take on Bellevue Marquette in the 9th Annual Pink Out Game! Come show your support, and remember to wear PINK!! Go Cats!

# Wrestlers compete at home (twice), Bellevue

by **Chance Downs**

Last Saturday the Maquoketa Valley Wrestling Team held their annual “Wildcat Duals”. With no shortage of competition, the Cats hosted multiple 1A and 2A teams including; Beckman Catholic, Midland, Wilton, Starmont and Center Point-Urbana.

Coach Andrews said he was happy overall with how the day went. “We are dealing with a number of injuries right now and have been having guys wrestle up in order to help our team out. We ran into some very tough teams and that should do nothing but help us as we move closer to the postseason.”

The Wildcats started the day off versus Starmont. The boys ended up beating the Stars 45 to 20. Those who received a win were: Robert Hildebrand with a fall at 5:20 and Mitch Smith with a decision 5-4. Those who received forfeits were: Parker Sternhagen, Tim Harmon, Chance Downs, Carter Stahlberg, and Michael Feldmann.

The Wildcats moved on to face the eventual Dual Team Champions - Beckman. Though they put up a good fight. The Wildcats lost 54 to 21. Those who received a fall were Canyon Richardson at 2:19 and Tim Harmon at 3:38. Parker Sternhagen also won by decision 4-3. Michael Feldmann received a forfeit.

MV then wrestled Wilton. The Wildcats fell to the Beavers 62 to 9. Mitch Smith won by decision 13-10. Chance Downs received a forfeit.

After a short intermission, the Wildcats took to the mat against the Midland Eagles. Evan Elgin won by fall at 1:15 and Michael Feldmann won a close nailbiter, 4-3 in double overtime. Canyon Richardson, Chance Downs, Robert Hildebrand, Mitch Smith, Carter Stahlberg, Carter Kruse and Parker Sternhagen all received forfeits.

Maquoketa Valley rounded out the day versus Center Point-Urbana. The Wildcats lost in a close race to the Stormin Pointers in a final dual score of 45 to 33. Chance Downs won by fall at 2:56 and Mitch Smith won by decision 9-2. Robert Hildebrand, Carter Stahlberg, Dylan Happel and Michael Feldmann received forfeits.

This past Monday the Maquoketa Valley Wrestling Team traveled to Bellevue to face the Bellevue Comets and the Starmont Stars in a non-conference dual meet.

**Freshman Tim Harmon turns his Beckman opponent upside down at the home duals tournament Jan. 6. Harmon pinned him. (photo by Lesa Parmely)**

“I was very pleased how the guys responded after our first meet versus Starmont,” stated Coach Andrews. “We hit some adversity in the first meet in regards to losing matches that we shouldn’t have, but came back in the 2nd meet and fought from whistle to whistle and came out victorious.”

The Wildcats started their night against Starmont and once again defeated the Stars, 42 to 24. Hildebrand won by fall at 1:32. Downs, Carter Stahlberg, Feldmann, Chance Kemp, Aden Atwell, and Harmon all received forfeits.

After a short break the Wildcats finished the night against Bellevue with a win 54 to 24. Those who received a fall were: Carter Kruse at 0:34, Happel at 1:51, Harmon at 1:25, Downs at 1:17, and Hildebrand at 1:49. Those who won by decision were: Smith 5-4 and Elgin 9-3. Those who received a forfeit were: Stahlberg, Feldmann and Atwell.

This past Tuesday, the Maquoketa Valley Wrestling Team played host to Monticello and Anamosa in the Wildcats second dual of the week. As the host, the Wildcats started off with a bye. Soon to follow, was the Anamosa Raiders versus the Wildcats. The Cats sprang into action and captured the first dual 51 to 24. Those who received a fall were: Kemp at 0:49, Downs at 3:44, Hildebrand at 3:36, Stahlberg at 1:15, and Elgin at 2:13. Smith won his match by decision 7-3. DHappel won his match by injury-default. Feldmann and Lane received a forfeit.

The Wildcats wrapped up the night in a very close dual against the Monticello Panthers. The Panthers came out strong, but it was the Wildcats who came up victorious in the end with a winning

score of 45 to 36. Those who received a fall were: Atwell at 1:03, Smith at 3:03, and Elgin at 5:35. Feldmann won his match 2-1. Harmon, Downs, Stahlberg and Carter Kruse all received forfeits.

Coach Andrews had this to say about his team’s performance. “I was very happy with how we came out and performed. We had a bunch of guys step up and wrestle up in a bunch of weight classes to fill out a line up. We have a lot of unselfish individuals on this team. To see this team come out victorious against solid competition with the adversity we have faced says a lot about the individuals on this team.”

Due to inclement weather, the Wildcats did not wrestle at Lisbon Thursday night. They next wrestle at a home meet Jan. 18.

# Netflix & Chill

by Emma McDowell

*I Love You, Man* - I was browsing Netflix one night, looking for something new to watch, and then I found *I Love You, Man*. This 2009 movie goes pretty unrecognized despite having a solid cast and witty lines. It stars Paul Rudd and Jason Segel as two guys just being dudes. After meeting each other they start to develop a friendship over rock bands and guy stuff. Maybe it was the fact that I was watching it when I was half asleep, but there were some hilarious moments. As a movie, it's so happy and upbeat. *I Love You, Man* is the perfect movie to watch in order to unwind from finals.

# Birthday Shoutouts!

Why do we make New Year's resolutions to exercise more? Because last year's didn't work out.

What do sandwiches do at midnight on December 31st? They toast to a New Year.

On New Year's Eve make sure to have your left leg in the air so then you start the new year on the right foot.

What does the Hershey's chocolate company do at midnight? Kiss the year good-bye.
