Raise levels of academic achievement for every student.

"That's our mission in schools. Education is the gatekeeper to choices in life, and it is how we gauge our youth's readiness for productive entry into society.

Teaching students the three Rs is, of course, a massive responsibility and a great first step in preparing them for graduation and beyond. Yet it's not enough. There are additional Rs that our students must learn: Responsibility. Respect. Resilience. Relationship" (Souers & Hall).

So how is the Maquoketa Valley School District preparing its students in the additional Rs of responsibility, respect, resilience, and relationships? Teachers across our district are learning many strategies that align with *Fostering Resilient Learners: Strategies for Creating a Trauma-Sensitive Classroom* (Kristin Souers and Pete Hall). Using de-escalation skills, being aware of signs of possible suicide behaviors, developing our Wildcat Way expectations at the PK- 8 level and the Guidelines for Success at the 9-12 level, understanding poverty and its effects on our students and their families, incorporating a growth mindset when learning, knowing what adverse childhood experiences are and how they affect brain development in our students, utilizing positive self-concepts through our Positive Action curriculum, and creating and implementing routines into our classrooms.

Currently, we have developed a Behavioral Health Team consisting of teachers, secretaries, administrators, school counselors, and our AEA school psychologist. The goal of this team is to help create and support a culture where children and adults understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. This includes building positive relationships with all students to better meet all students' emotional needs, and help all students feel emotionally safe. During our team meetings, we're discussing our reflections on the book *Help for Billy* by Heather T. Forbes and considering what knowledge needs to be shared with all adults in the district, along with what steps need to be implemented in classrooms. To date, we are in the process of developing a step-by-step action plan for implementing key findings from our readings to help all students learn academically, behaviorally, socially, and emotionally.

(continued on next page)

Maquoketa Valley Community School District
Ensures High Levels of Learning to Empower All Students For
Lifelong Success.

(continued from front page)

Raise levels of academic achievement for every student.

So how will all of the teacher learning affect my child? Knowing that when social and emotional skills are taught and reinforced with students in the classrooms, teachers increase positive teacher-student relationships, have positive classroom management and organization, increased student engagement and are better able to manage stress. Students will be able to recognize and build upon their strengths, engage in respectful dialogue with adults and peers, resolve conflict in a peaceful and respectful way, deeply engage in academic content, and advocate for themselves, their families, and their communities.

An elementary-level teacher from Sourers and Hall's research stated, "In deepening my understanding of trauma and its effect on children, I have learned to look for triggers and root causes of a student's actions. I have learned to look at a student's ability to cope with present circumstances and react accordingly, providing support and tools needed to give the child a sense of security and control.

When students are taught coping skills and productive ways to communicate their needs, their behavior, social skills, and sense of self-worth improve. I have seen how positive praise can completely change a child's behavior. When a school staff receives trauma training and implements trauma-sensitive practices, students thrive." This is the goal we continue to strive towards for our students, families, and adults throughout the Maquoketa Valley District.

Regular Board Meeting

March 25, 2019

The regular meeting of the Maquoketa Valley Board of Education was called to order by President John Zietlow at 5:30 p.m. in the High School Conference Room in Delhi, Iowa. All motions carried unanimously unless otherwise noted. Five board members were present. There were six staff and one visitor present. The agenda and the consent items were approved.

The Board reviewed and approved the 2019-2020 budget estimate as presented for publication and set the budget hearing for April 10, 2019 at 7:15 a.m. in the Middle School Conference Room in Delhi, Iowa. The estimate sets the proposed tax rate at \$10.21198 which is a decrease of \$0.35 from the 2018-2019 levy rate.

One open enrollment request in and two open enrollment requests out were approved.

The following personnel recommendations were approved:

Trevor Arnold – employed as HS Physical Education Teacher, Activities Director and Head HS Football Coach

Ali Sheehy – employed as Assistant HS Softball Coach

The following board policies were reviewed and approved: 202.010 Code of Ethics, 401.080 Limitations to Employment References, 504.3 Student Publications, 503.03R1 Student Publications Code, 604.080

Title I Parent Policy, 704.04 Disaster Recovery Plan and 502.4 Student Complaints and Grievances.

The following operational sharing agreement for the 2019-2020 school year was approved:

Barb Hollinrake – Guidance, Shared with Midland

The Board reviewed and approved the modifications to the 2018-2019 school calendar due to the snow days that occurred in January and February. The Board also approved the 2019-2020 school calendar.

The Academic Excellence Banquet is scheduled for May 1st. Ms. Sands will be the guest speaker for the banquet.

Supt. Tuetken will bring the final District Emergency Operations Plan to the board in June for approval.

The regular April board meeting will be held on April 22nd and begin at 5:30 p.m. in the High School Conference Room. A special board meeting will be held on April 10th at 7:15 a.m. in the Middle School Conference Room.

At 6:23 p.m. in a motion by Dabroski, seconded by Feldmann the Board entered into a closed session pursuant to Chapter 20.17(3) of the Code of Iowa for a collective bargaining strategy session. A roll call vote was answered as follows: Dabroski, Feldmann, Huber, Kunde, Zietlow; all ayes. Carried.

At 7:04 p.m. the Board entered into open session.

The meeting adjourned at 7:05 p.m.

What's New in JK!

Junior Kindergarten curriculum went through a lot of changes this year, and JK students are working harder than ever! Positive Action is something new to our classroom that affects how students treat others and how they feel about themselves. This interactive program, led by puppets Mimi and Squeak, focuses on different ways for dealing with problems and positive and negative mindsets. We talk about the feelings circle, how our actions affect everyone around us, physical and intellectual positive actions, how to manage yourself, and getting along with others. JK students love Squeak and Mimi, and have learned a lot from their furry hedgehog friends!

Also new this year in JK, is our Phonemic Awareness work. Students are practicing beginning sounds, ending sounds, adding and deleting sounds, rhyming, changing beginning sounds, and much more! This twice daily routine, added to the JK schedule, gives students an added boost to prepare them for the all important Kindergarten year!

The last addition to JK this year is a new Math curriculum. Each day JK students are working with manipulatives to practice counting, counting on, ways to make ten, adding numbers, taking away numbers, counting in different configurations, matching numerals to amounts, and making tallies! In our last quarter of school JK will be working on length, weight, capacity, and addition and subtraction stories. It's been an amazing year for JK!

In honor of Dr. Seuss's Birthday I give you one of his most famous and in my opinion, most inspirational quotes.

"The more that you read, the more things you will know. The more you learn, the more places you'll go."— Dr. Seuss, "I Can Read With My Eyes Shut!"

Every year during the end of February/ beginning of March the district has their annual reading celebration. Each building does their own theme with weekly goals for the students. Here at Johnston we have been camping. Every Friday students got to do a read and feed with camping themed snacks and a fun way to read their books. They have used flashlights, brought blankets, brought stuffed reading buddies, and at the end they built a fort over their desk and read in it. We had a fun afternoon of rotations on Wednesday March 13 to celebrate the conclusion of our celebration! Reading is so important in life. No matter what you want to be or do in life you need to be able to read. It is also something many people do for fun!

Please help your children love to read by spending time with them reading books.

Maquoketa Valley's Summer Driver Education Class

It is time to think about Summer Driver Education at Maquoketa Valley. Information about the class is listed:

- 1)The class is held in Delhi at the high school.
- 2)Driver's Ed will begin May 10. Until the last day of school classes are held 7:00-8:00 each morning and a group will drive every day after school.
- 3)Classes/driving should end around June 22.
- 4)Students must be 14 years of age by April 10th to be in the class.
- 5)Each student must have 30 hours of class time; 6 hours of driving time.
- 6)An attempt is made to put students by towns for driving, so they may carpool.
- 7)A schedule of classes, driving times, driving groups will be mailed late April to all participants.
- 8)Greg Drew is the instructor for both class and driving.
- 9)To signup for driver's ed go to the following website: www.streetSMARTSDriversEd.com
- 10)After getting the Street Smarts website, select CLASS REGISTRATION, then OTHER, and finally MAQUOKETA VALLEY
- 11)Cost for the class is \$335.
- 12)If you son/daughter is in Softball or Baseball, please email me by April 15. There is a limited number of driving spots for students involved in summer sports, so it is a first come basis on who gets these selected driving times.
- 13)Please do not hesitate to contact the school with questions.

Iowa Assessments

During the week of April 15-18 students in grades 3 - 11 will be taking the Iowa Assessments. These tests are important to our district as they are one indication of how we are doing in meeting our goals. Parents, we appreciate your efforts in avoiding appointments during school whenever possible, but especially during this testing week! Thank you for your help!

Delhi United Methodist Church is collecting pop tabs for Camp Courageous of Iowa. Camp Courageous is a year-round camp for youth, kids, and adults with disabilities. It is located in Monticello, IA. The camp is run entirely on donations. Pop tabs can be sent to Delhi Elementary/Middle School with your student.

DeAnna Hogan, in the library, will be managing these donations. Farr Jebens, member of the Visitation Ministry Team at the church, will then collect them. More information about Camp Courageous of Iowa can be found at www.campcourageous.org. Thank you for your help in raising money for this organization!

Don't Toss 'Em...Clip 'Em!

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in November and once in March. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit www.bboxtops4education.com. Maquoketa Valley appreciates your support!
