Dollars for Scholarship Fund Established to Honor Anna Nefzger

An endowment fund for Anna Mae Nefzger has been established with the Maquoketa Valley Dollars for Scholars awards program. Anna passed away much too soon, on Friday, June 24, 2016. She is the daughter of Danny and Karla Nefzger and had two siblings, Curtis, a 2015 Maquoketa Valley graduate and Kari, who will be entering her senior year. Anna was raised and educated in the Delhi area and was currently going to enter the 8th grade at Maquoketa Valley.

She was an active member of the volleyball, basketball, and track team, and was currently serving on the Junior High Student Council. Anna was also a member of St. John's Catholic Church in Delhi. She was a farm girl at heart and had a spirit about her that lit up everyone's life that she touched. Anna enjoyed spending time with her family and her friends, especially her Uncle Mark, and good friend Ella.

Anna is greatly missed by her friends and family, and to honor her memory, funds may be donated to the Maquoketa Valley Dollars for Scholars in her name.

Welcome Back

by Superintendent Doug Tuetken

With the beginning of a new school year, it is always a time in which student and staff expectations and enthusiasm runs high. It also seems to always coincide with a number of changes. This year is no exception! First and foremost, as most of you know, we are in the process of realigning our elementary schools. Earlville Elementary will become our early childhood center and will house our preschool, junior kindergarten, and kindergarten students as well as the Delaware County Head Start program. Johnston Elementary will become our primary center and will house our 1st and 2nd graders. Delhi will now be our intermediate and secondary building and will house our students from grades 3 through 12. I would like to take this opportunity to personally thank all parents that participated in our conversations and provided us with information and your insight on how we could make our district even stronger for our children. I truly appreciate your participation, input and partnership in this process the past two years. Because of your involvement, our children will benefit in the end.

So as we do every summer, we are feverishly cleaning, scrubbing, waxing, painting, replacing carpet, and replacing old sinks and faucets. What is new this summer, we are making some minor adjustments to our bus routes, and methodically moving teachers from one building to another or from one room to another. All of this is a work in progress.

I also want to thank all of our parents and patrons that took the time to participate in our Revenue Purpose Statement vote this past spring. If you recall this vote was to extend our current Revenue Purpose Statement from 2021 until 2029. By allowing our district to extend this statement we have been able to start our remodeling project for our district facilities by partnering with OPN Architects. With feedback from teachers, associates, custodians, food service and our Board of Directors, some initial plans have been developed. Over the next six months we will be modifying the plans to meet our needs and our budget parameters. If all goes well, we may be able to start parts of the project late next spring or early summer.

I would like to thank all of our parents, community fire departments, district social and service organizations, our local Farm Bureau members and our patrons who took the time to listen to our Revenue Purpose Statement presentation and asked insightful questions to fully understand the process. Again, without your involvement and input in this process I know we would not of been able to move forward on this project.

In addition to the physical changes that are currently happening and are on the horizon, we also have a number of instructional changes that have occurred within our district. With the retirement of Rhea Knott, Hannah Crumpton has been hired as our new Elementary Art instructor. Carrie Elsinger will replace Barb Hollinrake as our new Elementary and Middle School Guidance Counselor. Larry Meyer will be leaving to take an administrative position in northeast Iowa, and Eric Conner will replace Mr. Meyer as our Elementary and Middle School PE instructor. Eric will also be our Head Baseball Coach and assist Mr. Dunlap in the boys' basketball program. Wes Wilson left MV to become the Head Football Coach at Monticello, and Chris Evers will now take over the program. Diane Freeze recently decided to retire after 24 years of service to our children and district. Jennifer Teymer will replace Diane at Johnston. Finally Natasha Steger has been hired as a special education associate at Johnston. So please take time to welcome all of these new individuals to our Wildcat family when you see them in our schools.

All of us are extremely excited about the 2016 – 2017 school year. With the changes to our elementary alignment, our upcoming remodeling project, our new teachers, coaches and support staff that will be joining our MV family, I know it will be a fantastic year! If you have any questions, please do not hesitate to give me a call, drop an email, or stop by to visit. The doors to Maquoketa Valley will always be open for the parents and patrons of this district.

The Athletic Boosters meet the first Wednesday of every month, starting August 3rd at 6:30 pm in the high school cafeteria. **ATTENTION:** Admission to athletic events will be \$5 for both students and adults, same as last school year. Go CATS!

Join us at the next **Fine Arts Boosters** Meeting, August 8th at 5:30 PM in the high school cafeteria. We welcome ALL parents and other adults who want to support students from Band, Choir, Speech, Drama, and any other fine Arts at Maquoketa Valley Schools.

Please consider sharing your time & talents so that we may continue to provide the needed assistance to our excellent sports and extra-curricular programs.

Attention Fifth Grade Parents and Students!

With the beginning of fifth grade, comes the opportunity to join the band! We will begin this process when school starts with introductions to the various instruments and mouthpiece testing.

A Beginning Band Night has been scheduled for September 1, 6:45 p.m. for those students interested in joining the band. At this meeting, we will discuss the band program expectations and will be able to set up instrument rentals for the children that would like to join the band. West Music will be on hand offer their rental program of both new and used instruments.

It is recommended that instruments not be purchased from discount stores or online vendors. Many low quality instruments are sold in this manner. They often have poor tone and end up costing more in the long run with repair issues.

Feel free to contact Mrs. Seibert with any questions you may have. More information will be sent home at Back to School Night.

Volunteers Welcome

Maquoketa Valley is always in need of kind, caring adults who want to give their time to be with and help the children at school. If you are interested, please contact any Administrator listed on the cover of this newsletter.

Retired Citizens

MV offers a Senior Citizen pass to anyone who is 65 years of age or older and resides in the District (Board Policy 1007.010). This pass entitles senior citizens free admission to all Maquoketa Valley sponsored events held at the school (athletics, drama, music, art, etc.) If interested call the Superintendent's Office at 563-922-9422.

Weather Calls

MV reports their school closings and cancellations to 3 TV stations: KGAN (2), KWWL (7), and KCRG (9). They also report them to radio stations KMCH, KDST, KOEL, WMT, and KCRG. Mr. Tuetken also sends out a text alert, so if you did not get those last year, be sure to email your phone number and the name of your carrier to cherylgates@maquoketa-v.k12.ia.us. When bad weather hits, please DO NOT call the school. Their lines will be busy contacting personnel, other schools, bus drivers, etc. Text alerts

Wellness Committee Recommendations

Written by: Nurse Mary

Last March the Maquoketa Valley Wellness Committee met to discuss the school's Wellness Policy and changes that needed to be made within the policy and within the school setting. This committee is comprised of patrons of the district, including a Physician's Assistant, members of the Athletic Boosters, parents, Superintendent, school dietary personnel, concession stand lead, a fitness trainer and the school nurse.

One thing that I have found, working with our First Grade students over the past few years, is that many of them were consuming three chocolate milk servings at school per day. This is almost 60 gm of sugar. It was from this finding and much discussion that the following recommendations were made.

Starting next school year, students of all grade levels will only have chocolate milk options at breakfast and lunch time, and the elementary snack time milk will be completely eliminated. (2016-17)

The following school year, students will only have white milk as an option at breakfast and the only time chocolate milk will be served is at lunch on Friday, for our elementary and middle school students. We will continue with the no snack milk for elementary students. (2017-18)

In addition we will encourage teachers and staff, of all grade levels, to take water breaks. We are looking into getting water bottle filling stations so that there is less time spent at the fountains.

You may be asking, why the changes are needed? Well, here's some scary stats.

What should children have for added sugar in their diets per the American Heart Association:

Preschool children should have 16gm or 4tsp
Preteen and teen 20-32gm or 5-8tsp

Age 4-8 12gm or 3tsp

What children are actually getting for sugar in their diets:

Children 1-3 are getting 48gm or 12tsp
Preteens to teens 136gm or 34tsp

Age 4-8 84gm or 21tsp

How much sugar is in milk? White milk, no fat, 11gm or almost 3 tsp, Chocolate milk 18gm which is over 4tsp of sugar.

Amount of water a person should drink per day: half your body weight or until urine is clear. Dehydration leads to headaches, sluggishness, and many systemic problems.

We are certainly not suggesting that students not consume milk products. Students still need to get their calcium and other nutrients that the dairy products supply. What we are suggesting is that we look for healthier options. If you have questions, please feel free to contact myself or Mr. Tuetken.

Low-Cost Health Insurance for Children

If your children do not have health insurance, many families getting free or reduced price meals can also get free or low-cost health insurance for their children. Private schools, RCCIs and childcare organizations may choose to share this information. Specifically, we will give them your child's name, your name & address. Medicaid & **hawk-i** can only use the information to identify children who may be eligible for free or low-cost health insurance and contact you. The social security number is not required when you apply on behalf of a foster child or you list a Food Assistance (FA), Family Investment Program (FIP) or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. Self-Employment Income Calculations

This guidance will assist you in calculating the amount to report if you engage in farming, are self-employed or have income from other sources.

Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment. For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040. Add together the amounts reported on the following lines:

LINE 12 \$ _____ Business Income or (Loss)

LINE 13 \$ _____ Capital Gain or (Loss)

LINE 14 \$ _____ Other Gains or (Losses)

LINE 17 \$ _____ Rental real estate, royalties, partnerships, S corporations, trusts, etc.

LINE 18 \$ _____ Farm Income or (Loss)

TOTAL \$ _____ Gross Annual Income Before Any Deductions.

Computed Monthly Income \$ _____ (Gross Annual Income ÷ 12 = Computed Monthly Income.)
