Technology Is Everywhere

Technology is everywhere. It affects how we shop, socialize, connect, play, and learn. Thoughtful use of technology in classrooms can help students learn and develop important communication, collaboration, critical thinking and creative thinking skills. It can help teachers reach students who learn in different ways and help students stay engaged in learning. It can allow students to take more control over their own learning, have access to the most up-to-date information and resources, and help prepare them for their future careers. At Maquoketa Valley, we have many opportunities for students to build critical skills through the use of technology, a few of which will be highlighted in this article.

Digital Citizenship: The use of technology has made cyberbullying, privacy, safety and other digital dilemmas a real challenge. At the same time, technology provides incredible opportunities for students to learn, connect, create and collaborate in ways never before imagined. We are working to build a positive school culture that supports the safe and responsible use of technology with our K-12 digital citizenship curriculum. Lessons focus around the topics of internet safety, privacy and security, relationships and communication, cyberbullying and digital drama, digital footprint and reputation, information literacy, and creative credit and copyright.

Pint Size Science: As part of our enrichment and extension program, preschool and kindergarten students use “bots” to learn about inputs and outputs as they program the “bots” go and stop.

Hour of Code: This is an hour-long online coding activity that introduces our K-12 students to computer science. The goal of this nationwide program is to show students that computer science can be fun and creative, that it is accessible at all ages, for all students, regardless of background. It encourages students to be creative problem-solvers.

Technology Time: Our K-4 students are provided a consistent time every other week to focus on developing critical navigational, keyboarding and word processing skills with our media specialist.

5th Grade Technology Course: Students are introduced to an online coding program, investigate problem-solving techniques and learn about the impacts of computing on society. By the end of the course, they can create interactive games and stories they can share. (continued on next page)

Maquoketa Valley Community School District
Ensures High Levels of Learning to Empower All Students
For Lifelong Success.

Technology Is Everywhere

6th Grade Technology Exploratory: All 6th grade students are provided opportunities to create, collaborate, communicate and think critically through a wide range of technology activities. Students are able to work at their own pace using tutorial videos developed by our technology coach. Students work with Google forms and Google slides. They use green screens (the same technology used by meteorologists during newscasts) that allow them to electronically put a different background or a moving scene behind them as they present information, which is used in creating iMovies. Students combine robotics and coding using spheros to design and race a chariot that meets certain criteria. They also design and create three-dimensional objects using 3-D printers (available through our area education agency).

Gateway to Technology: This is an activity-oriented exploratory available to all 7-8th grade students that addresses national standards in math, science, and technology. Students engage their curiosity and imagination in creative problem solving. Through topics like coding and robotics, flight and space, and DNA and crime scene analysis, students can see how technology is used in engineering to solve everyday, real-world problems and are challenged to solve problems using the same advanced software and tools as those used by the world's leading companies. As students engage in the program's activities in computer science, engineering, and biomedical science, they see a range of paths and possibilities they can look forward to in high school and beyond.

Computer Software Technology Course: This is a new course being offered in the high school. Students learn object-oriented computer programming and are taught coding and designing concepts by creating projects with cutting-edge technology. It uses the Parallax S 3 robots, which are also being used in the CAD Inventor course.

Technology touches almost every part of our lives, our communities, our homes, and our schools. At Maquoketa Valley, these are just a few of the ways we are working to prepare students to survive and thrive in the 21st century.

Winter is Here

With winter and the cold weather upon us, we remind you that our building temperatures are set at 65 degrees. Parents are encouraged to dress your children appropriately. It is perfectly acceptable for your child to wear a sweater or sweatshirt in class in order to stay comfortable.

MV reports their school closings and cancellations to 3 TV stations: KGAN (2), KWWL (7), and KCRG (9) by 6:25 am. They also report them to these radio stations: KMCH and KDST. When bad weather hits, please turn to one of these TV or radio stations. Please DO NOT call the school. Their lines will be busy contacting personnel, other schools, bus drivers, etc.

If you would like to be added to the MV Text alert, contact Cheryl Gates at 563-922-9411.

Plan Ahead

During the week of February 6th -10th, students in grades 3-11 will be taking the Iowa Assessments (formerly called The Iowa Tests of Basic Skills/Iowa Tests of Educational Development). These tests are important to our district as they are one indication of how we are doing in meeting our goals. Parents, we appreciate your efforts in avoiding appointments during school whenever possible, but especially during this testing week! Thank you for your help!

Regular Board Meeting

December 19, 2016

Prior to the start of the meeting, several teachers that attended the Solution Tree Conference this past October in Des Moines, shared information from with conference with the Board.

The regular meeting of the Maquoketa Valley Board of Education was called to order by President John Zietlow at 6:25 p.m. at Earlville Elementary in Earlville, Iowa. All motions carried unanimously unless otherwise noted. Four board members were present. There were eight staff members present and six visitors present. The agenda and consent items were approved.

A sophomore parent and student meeting will be held on January 31st. The focus of this meeting will be career clusters that the sophomores have chosen as their area of interest from Iowa I Have a Plan.

The Board adopted the following RESOLUTION:

NOW THEREFORE, BE IT RESOLVED, that the Maquoketa Valley Board of Education pledges to join and support the efforts of “The Promise of Iowa” campaign to ensure that Iowa lawmakers continue to prioritize investments to improve the community schools that create opportunities for more than 480,000 public school Iowa students.

The board policy series 1000 was reviewed and approved.

Supt. Tuetken presented the Board with bids and recommendations from multiple vendors for the intercom/paging, bell and phone bids. This system was damaged during a recent electrical strike in September. The Board approved the bid for intercom/paging, bells and phone from Infrastructure Technology Solutions from Monticello in the amount of \$52,237.06.

The following personnel recommendations were approved:

Sara Kimball – employed as .5 FTE Title/Special Education Teacher

Josh Holtz – resignation as Head Volleyball Coach

Dan Cassutt – employed as Assistant High School Baseball Coach

The Board approved the Spanish Club trip to the Dominican Republic scheduled for July 23, 2017– July 31, 2017.

The Board approved the call for trash disposal bids.

The Board discussed several possible speakers for the upcoming Academic Excellence Banquet.

The board policy series 100 will be reviewed in January.

The District will begin the process of securing funding for the proposed High School renovation project which will begin in the early 2017. The District is seeking quotes from several financial advisors in order to bond against SAVE dollars. Board President Zietlow as well as Board Member Dabroski will attend meetings with the potential advisors and bring their recommendation back to the board for approval.

The meeting was adjourned at 7:52 p.m.

**Your high school student has
drama,
don't you need some too?
Join us at the next
Fine Arts Booster Meeting,
Jan 9 @ 5:30 PM in the HS
Cafeteria and see what we are all
about!!**

MV Speech & Drama “Soup-er” Soup Supper

When: Friday, January 6

Serving: 4:30-7:30 pm

MV's basketball games versus Alburnett.

The menu includes chili, chicken noodle,
and broccoli cheese soup; maid rites;
relishes; and desserts.

Athletic Boosters Need YOU!!!

The Maquoketa Valley Athletic Boosters are
looking for members who would like to be involved
in helping organize and run our events. The
Athletic Boosters meet the **first Wednesday of
every month** (except July) at 6:30 pm in the high
school cafeteria. Please consider sharing your
time & talents so that we may continue to provide
the needed assistance to our athletic programs.

Thank You Manchester Dairy Queen

The Manchester Dairy Queen has been a
supporter of Maquoketa Valley in multiple
ways for many years. The first Tuesday of
every month they donate 10% of all sales
from 3:00 PM to close to Maquoketa Valley.

The dates for this year are:
January 3
February 7
March 7
April 4

Please support your school with a cool treat
from Dairy Queen on these evenings. In
addition, they have supported all the
elementary centers and the Rising Star
Award.

Delhi United Methodist Church is collecting
pop tabs for Camp Courageous of Iowa.
Camp Courageous is a year-round camp for
youth, kids, and adults with disabilities. It is
located in Monticello, IA. The camp is run
entirely on donations. Pop tabs can be sent
to Delhi Elementary/Middle School with
your student.
DeAnna Hogan, in the library, will be
managing these donations. Farr Jebens,
member of the Visitation Ministry Team at
the church, will then collect them. More
information about Camp Courageous of
Iowa can be found at
www.campcourageous.org. Thank you for
your help in raising money for this
organization!

Change A Child's Story

YOU CAN HELP

Consider donating gently used books to the "Change A Child's Story" Literacy Project. Do you have books your child has outgrown, books setting on the shelf not being used?

The goal of this project is to give books and give time to children and youth in our community to promote literacy. Our vision is to obtain donations/acquire grants/purchase books, to get books into the hands of children and youth in our community. Organizations already benefiting from our project include: Parents As Teachers - a program at the Regional Medical Center, Families First Counseling, The Backpack program sponsored by the North East Iowa Food Bank within our MV School District, Children's Book Swap Program in the Delhi Public Library, and Little Free Library box in the park shelter at the Delhi City Public Park. Drop off locations for gently used books are the offices at the MV Schools, the Delhi United Methodist Church, The Delhi Public Library or contacting Jane Mesch, 101 3rd St. Delhi, 563-920-4916. Anyone wanting more information on this project can contact Jane Mesch.

INFORMATION FOR PARENTS AND SCHOOL AGED YOUTH

If you, your family, or someone you know lives in the following situation:

- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations, or
- Doubled up with friends or relatives because you cannot find or afford housing

Then you, your family, or someone you know have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act of 2001.

You, your family, or someone you know have the right to:

Go to school, no matter where you live or how long you have lived there. They must be given access to the same public education, including preschool education provided to other children.

Continue in school they attend before you became homeless or the last school they attended, if that is your choice and it is feasible. If a school sends your child to a school other than the one requested by you, the school must provide you with a written explanation and offer you the right to appeal that decision.

Receive transportation to the school they attend before you, your family, or someone you know became homeless or the last school attended if transportation is requested.

Attend a school and participate in school programs with children you are not homeless. Children cannot be separated from the regular program because they are homeless.

Enroll in school without giving a permanent address. Schools cannot require proof of residence that might prevent or delay school enrollment.

Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.

Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your children.

Receive the same special programs and services, if needed, as provided to all other children served in these programs.

Receive transportation to school and to school programs.

When you, your family, or someone you know move, the following should be done:

Contact the district's local liaison for homeless education (School Superintendent, 563-922-2091) for help in enrolling you, your child(ren) or someone you know, to continue in his or her former school. (Or someone at a shelter, social services office, or the school can direct you to the person you need to contact.)

Contact the school and provides any information you think will assist the teachers in helping you, your child(ren) adjust to new circumstances.

Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.

If you need further assistance, call the State Coordinator at the Department of Education at 515-281-3966 or the National Center for Homeless Education at the toll-free Helpline number: 1-800-308-2145

KINDERGARTEN ROUND-UP

Parents of our 2017-2018 kindergarten students, please complete and send a registration form for your child (found in this newsletter) to one of our elementary schools. In order to start kindergarten next year, children must be five by September 15th, 2017.

The following date has been set for Kindergarten Round-up:

February 23..... Earlville Center Only

Times are 8:15 - 9:15, 10:30 - 12:00, 1:00 - 2:30

During Round-Up children will be scheduled to spend an hour and a half-hour with our staff. Parents will need to attend a short meeting, at the end of the hour and a half-hour period, and pick up their children. Even if you will be requesting Junior Kindergarten, please plan for your child to attend Round-Up and attend the parent meeting. Additional information will be coming your way as the Round-Up date nears.

Don't Toss 'Em...Clip 'Em!

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in December and once in April. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit www.boxtops4education.com. Maquoketa Valley appreciates your support!

Post Prom 2017 Update

Attention Junior Class Parents:

Post Prom fundraising efforts are in the planning stages and are coming together! We need volunteers... even for an hour here or there, any help you can give is greatly appreciated.

We are doing a second order of fan apparel with a due date of January 15th. An order form is included in the newsletter. We've had interest in another order as people are seeing the clothes out and about. But please note that we are accepting no late orders. January 15th will be the last day to order. If any questions or need forms, contact Jayne Hogan at 920-9606 or Gerene Gibbs 563-580-6013.

Family Fun Night will be Friday, February 10th from 6:30 - 9 along with Middle School Dance.

If any junior parents are not receiving notification of meetings or receiving minutes, please contact Gerene Gibbs at 563-580-6013.

LOOKING for KINDERGARTNERS

We ask your assistance in compiling our list of children that will be entering kindergarten in the fall of 2017. Remember a child must be five years old on/before September 15, 2017 in order to be eligible to attend Kindergarten or Junior Kindergarten next fall. All of our Kindergarten and Junior Kindergarten students attend school at Earlville Elementary. Please list your own youngster and those of any of your friends or neighbors you believe may have not received this newsletter form. Please complete the form and drop it off or mail it to Maquoketa Valley Schools, P. O. Box 186, Delhi, IA 52223-0186. Thank you!

Child's Name _____ (Circle One)

LOOKING for 4-Year Olds

We also need your assistance in compiling a list of children that will be FOUR years old on/before September 15, 2017 in order to be eligible for Maquoketa Valley's Pre-School program to start next fall. All of our Pre-School students attend school at Earlville Elementary. Please list your own youngster and if you know of any other families that have a 4-year-old, please contact them. Simply complete this form and drop it off or mail it to Maquoketa Valley Schools, P. O. Box 186, Delhi, IA 52223-0186. Thank you!
