Maquoketa Valley is now in the third year of the Teacher Leadership and Compensation program in which teachers assume leadership roles and spend part of their day working with other teachers to improve student achievement. As coaches in these leadership roles, two days never look the same for us! Here's a brief summary of what we do in our roles:

PK-5 MTSS (Tiersa Frasher)

My name is Tiersa Frasher, and I have been a member of the Maquoketa Valley team since 2003! I work half time as an Elementary Special Education teacher in Delhi and half time as the Elementary (PK-5) Multi-tiered System of Support (MTSS) coach for our district. I am kept very busy in this role collaborating with teachers and principals to set up appropriate response plans for students with academic or behavior concerns. The multi-tiered system of support refers to a three-layered support system simply referred to as Tier 1, Tier 2 and Tier 3. Tier 1 refers to universal instruction that is provided to ALL students every day. It includes the adopted curriculum of our district and is taught by our general education teachers. If students begin to struggle with skills at the Tier 1 level, a more targeted or strategic intervention may be needed to support learning difficulties. This is where a Tier 2 intervention could be developed for an individual or small groups of students. If a learning or behavior problem becomes more significant, an intensive individual student intervention plan is created at the Tier 3 level. My role as the MTSS Instructional Coach is to collaborate with teachers to implement student specific plans at the Tier 2 and Tier 3 level. I enjoy splitting my time among each of our three elementary centers and being a resource available to fulfill our district mission to respond to all student needs in a timely manner.

Maquoketa Valley Community School District
Ensures High Levels of Learning to Empower All Students
For Lifelong Success.

6-12 MTSS (Jackie Moorman)

As an educator at Maquoketa Valley since 2006, I spend my day working with middle school students who have IEPs and as the 6-12 MTSS Instructional Strategist. At the middle school level, we use our WIN time at the end of the day to provide systematic interventions to teach and practice academic skills in the areas of reading, writing, and math. Students are pre-assessed on specific content skills and then student groups are developed to work with the teacher on those skills. Students are progress monitored along the way, and for those students who continue to need additional practice, they are moved into a Tier 3 support where a more intensive practice is completed. Additionally, I provide two MTSS structured study halls, both at the middle school and high school level. During this time we continue to build organization, time management and advocacy skills that can be generalized to the students' other classes. In both of my roles, I enjoy collaborating and problem-solving with teachers to find the most effective strategies to help our students be successful.

PK-12 Technology (Ali Scherrman)

I'm Ali Scherrman, and I've been working at Maquoketa Valley since 2006, and we have seen many changes in regards to technology just in my 11+ years here. My role as technology coach is to help both teachers and students learn new technology. The goal is for the technology that we use to impact student achievement by making students think in a different way or produce a product they wouldn't be able to do without the technology with an overall goal of the 4 Cs: creativity, communication, collaboration, and critical thinking. With the ever changing technology in our society today, there is a constant need for learning and adapting with new technology, and Maquoketa Valley teachers are brave in their ability to try new technology because we all know that sometimes technology just doesn't like to cooperate. But with our students' capabilities to help the teachers problem-solve, Maquoketa Valley teachers are willing to try a lot of new technology.

One of the other projects as Technology Coach that I'm working on now is to help put Maquoketa Valley on the map in the social media world. A Facebook page titled Maquoketa Valley Community School District has been created for staff members to post pictures, videos, and reminders. Our goal is to share what is happening at Maquoketa Valley with parents, family, and friends. Feel free to tag yourself so other family members can see your student. We want to make sure that this is a positive Facebook page, so if a problem arises, please contact the school directly. Maquoketa Valley also has a Twitter account, so if you're on Twitter, our handle is @MaquoketaValley.

6-12 Universal Instruction (Diane Temple)

My goal as a universal instruction coach is to improve student achievement by helping teachers in various ways: planning, teaching, assessing, and managing the classroom. MV is blessed with thoughtful, hard-working teachers who truly care about their students' academic achievements and personal growth. I work with reflective teachers who continually look at what they want students to do, what students do, and what teachers and students need to do next to improve. These teachers realize that collaborating with someone while reflecting leads to better teaching and student success. I have helped teachers with creating strong unit plans, by modeling teaching techniques, by finding or creating quality resources, with goal-setting and follow-up, and with problem-solving.

Authentic Intellectual Work (Jackie Moorman, Jennifer Ries, Christina Rudd, and Diane Temple)

We lead weekly learning opportunities for middle school and high school teachers. Teachers share various tasks, student work samples, or videos of their instruction and receive feedback about relevance, rigor, and evidence of learning. As AIW coaches, we also facilitate professional learning opportunities for our peers. This year our focus is on questioning skills and student conversations.

As coaches, we continue to receive feedback from teachers and evidence from student work to measure our effectiveness in improving student achievement. We can all agree that by working with other talented teachers we have improved our instructional practices.

Attention Junior Class Parents

There will be a Post-Prom meeting on Sunday, January 7 at 6:30 p.m. in the Middle School commons. We invite you to come and share your thoughts and ideas!

Your high school student has drama,

don't you need some too?

Join us at the next

Fine Arts Booster Meeting,

Jan 8@ 5:30 PM in the HS Cafeteria and see what we are all about!!

MV FFA

Soup Supper

When: Tuesday, January 16

Serving: 4:00 - 8:00 pm

MV's basketball games versus

Springville.

Athletic Boosters Need YOU!!!

The Maquoketa Valley Athletic Boosters are looking for members who would like to be involved in helping organize and run our events. The Athletic Boosters meet the **first Wednesday of every month** (except July) at 6:30 pm in the high school cafeteria. Please consider sharing your time & talents so that we may continue to provide the needed assistance to our athletic programs.

Wow! What a year it has been so far in Kindergarten!

We have already learned so much it is hard to remember where we were when the year started. We have gone from knowing how to write our names in all capital letters, to now we are writing full sentences with one capital letter at the beginning! The growth is absolutely amazing! We have learned about numbers, and shapes; we have studied trees and animals. Ask us anything you want to know about an earthworm or goldfish! It has only been a short few months but I am absolutely amazed with how far each and every one of the Kindergarteners has come so far! I am incredibly excited to continue to watch them grow second semester when we will start guided reading, and learning how to add and subtract! Watch out world, because Mrs. Jahn's class is coming and they are going to do big things!

Mrs. Jahn

Winter is Here

With winter and the cold weather upon us, we remind you that our building temperatures are set at 65 degrees. Parents are encouraged to dress your children appropriately. It is perfectly acceptable for your child to wear a sweater or sweatshirt in class in order to stay comfortable.

MV reports their school closings and cancellations to 3 TV stations: KGAN (2), KWWL (7), and KCRG (9) by 6:25 am. They also report them to these radio stations: KMCH and KDST. When bad weather hits, please turn to one of these TV or radio stations. Please DO NOT call the school. Their lines will be busy contacting personnel, other schools, bus drivers, etc.

If you would like to be added to the MV Text alert, contact Cheryl Gates at 563-922-9411.

Plan Ahead

During the week of February 5th—9th, students in grades 3-11 will be taking the Iowa Assessments (formerly called The Iowa Tests of Basic Skills/Iowa Tests of Educational Development). These tests are important to our district as they are one indication of how we are doing in meeting our goals. Parents, we appreciate your efforts in avoiding appointments during school whenever possible, but especially during this testing week! Thank you for your help!

Greetings from Sixth Grade Social Studies!

Ancient Egypt, Mesopotamia, China, Greece,... The sixth graders have been immersed in ancient civilizations and now are in the midst of study of classical civilizations. It's been interesting to compare and contrast these groups while studying their geography, cultures, leaders, conquests, and innovations. Students have particularly enjoyed creating projects based on their studies. Check out some of the students with their projects!

Change A Child's Story

Consider donating gently used books to the "Change A Child's Story" Literacy Project. Do you have books your child has outgrown, books setting on the shelf not being used?

The goal of this project is to give books and give time to children and youth in our community to promote literacy. Our vision is to obtain donations/acquire grants/purchase books, to get books into the hands of children and youth in our community. Locally some of our big projects include: The Backpack program sponsored by the North East Iowa Food Bank within our MV School District (children in the program receive a free book every quarter and 4 books for over the summer), Read & Feed (sponsored twice each summer by the Delhi United Methodist Church where children in the community are invited for free lunch and a free book), and the Little Free Library box in the park shelter at the Delhi City Public Park (over 1000 books, children through adult books, have circulated through this box over the last year and half). Drop off locations for gently used books are the offices at the MV Schools, the Delhi United Methodist Church, The Delhi Public Library or contacting Jane Mesch, 101 3rd St. Delhi, 563-920-4916. Anyone wanting more information on this project can contact Jane Mesch.

Thank You Manchester Dairy Queen

The Manchester Dairy Queen has been a supporter of Maquoketa Valley in multiple ways for many years. The first Tuesday of every month they donate 10% of all sales from 3:00 PM to close to Maquoketa Valley.

The dates for this year are:

January 2

February 6

March 6

April 3

Please support your school with a cool treat from Dairy Queen on these evenings.

Delhi United Methodist Church is collecting pop tabs for Camp Courageous of Iowa. Camp Courageous is a year-round camp for youth, kids, and adults with disabilities. It is located in Monticello, IA. The camp is run entirely on donations. Pop tabs can be sent to Delhi Elementary/Middle School with your student.

DeAnna Hogan, in the library, will be managing these donations. Farr Jebens, member of the Visitation Ministry Team at the church, will then collect them. More information about Camp Courageous of Iowa can be found at www.campcourageous.org. Thank you for your help in raising money for this organization!

INFORMATION FOR PARENTS AND SCHOOL AGED YOUTH

If you, your family, or someone you know lives in the following situation:

- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations, or
- Doubled up with friends or relatives because you cannot find or afford housing

Then you, your family, or someone you know have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act of 2001.

You, your family, or someone you know have the right to:

Go to school, no matter where you live or how long you have lived there. They must be given access to the same public education, including preschool education provided to other children.

Continue in school they attend before you became homeless or the last school they attended, if that is your choice and it is feasible. If a school sends your child to a school other than the one requested by you, the school must provide you with a written explanation and offer you the right to appeal that decision.

Receive transportation to the school they attend before you, your family, or someone you know became homeless or the last school attended if transportation is requested.

Attend a school and participate in school programs with children you are not homeless. Children cannot be separated from the regular program because they are homeless.

Enroll in school without giving a permanent address. Schools cannot require proof of residence that might prevent or delay school enrollment.

Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.

Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your children.

Receive the same special programs and services, if needed, as provided to all other children served in these programs.

Receive transportation to school and to school programs.

When you, your family, or someone you know move, the following should be done:

Contact the district's local liaison for homeless education (School Superintendent, 563-922-2091) for help in enrolling you, your child(ren) or someone you know, to continue in his or her former school. (Or someone at a shelter, social services office, or the school can direct you to the person you need to contact.)

Contact the school and provides any information you think will assist the teachers in helping you, your child(ren) adjust to new circumstances.

Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.

If you need further assistance, call the State Coordinator at the Department of Education at 515-281-3966 or the National Center for Homeless Education at the toll-free Helpline number: 1-800-308-2145

KINDERGARTEN ROUND-UP

Parents of our 2018-2019 kindergarten students, please complete and send a registration form for your child (found in this newsletter) to one of our elementary schools. In order to start kindergarten next year, children must be five by September 15th, 2018.

The following date has been set for Kindergarten Round-up:

February 22..... Earlville Center Only

Times are: 8:15 - 9:45, 10:30 - 12:00, 1:00 - 2:30

During Round-Up children will be scheduled to spend an hour and a half-hour with our staff. Parents will need to attend a short meeting, at the end of the hour and a half-hour period, and pick up their children. Even if you will be requesting Junior Kindergarten, please plan for your child to attend Round-Up and attend the parent meeting. Additional information will be coming your way as the Round-Up date nears.

Don't Toss 'Em...Clip 'Em!

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in November and once in March. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit www.boxtops4education.com. Maquoketa Valley appreciates your support!

LOOKING for KINDERGARTNERS

We ask your assistance in compiling our list of children that will be entering kindergarten in the fall of 2018. Remember a child must be five years old on/before September 15, 2018 in order to be eligible to attend Kindergarten or Junior Kindergarten next fall. All of our Kindergarten and Junior Kindergarten students attend school at Earlville Elementary. Please list your own youngster and those of any of your friends or neighbors you believe may have not received this newsletter form. Please complete the form and drop it off or mail it to Maquoketa Valley Schools, 226 Prospect Street, Earlville, IA 52041. Thank you!

LOOKING for 4-Year Olds

We also need your assistance in compiling a list of children that will be FOUR years old on/before September 15, 2018 in order to be eligible for Maquoketa Valley's Pre-School program to start next fall. All of our Pre-School students attend school at Earlville Elementary. Please list your own youngster and if you know of any other families that have a 4-year-old, please contact them. Simply complete this form and drop it off or mail it to Maquoketa Valley Schools, 226 Prospect Street, Earlville, IA 52041. Thank you!

HELPING SERVICES | Press Release

December 12, 2017

Strengthening Families Program Delaware County

Strengthening Families is a FREE program for all youth ages 10-14 and their parents or caregivers. It teaches tools, skills, and strategies to help your family become a stronger unit in just seven weeks. Strengthening Families was named by the World Health Organization as the number one prevention program out of 6000 for long-term effects on substance use and misuse and is used nationally and internationally to support families. The seven-week interactive curriculum packs a lot of fun into its sessions that both adults and youth will enjoy.

The adult component focuses on how to show love while setting limits, how to really listen to the young people in your life, and how to help family members show appreciation for each other. The youth component focuses on managing peer pressure, problem solving, stress reduction, and communicating effectively with the adults in your life.

There are seven weekly sessions. During the first hour, parents /caregivers and youth meet separately with trained facilitators. Facilitators lead guided discussions with parents focusing on improving family interactions. Youth participate in games and activities that teach them how to get along with their peers, siblings and parents/caregivers. During the second hour, parents/caregivers and youth meet as a family. Families participating in fun activities and projects that develop communication and problem solving skills, learning to help youth deal with peer pressure, improve communication skills, and solve problems individually as well as a family.

The benefits of attending this program for all families are huge. Participant evaluations compared to families not in the program show that youth had significantly lower rates of alcohol, tobacco and marijuana use. Youth had significantly fewer conduct problems in school. Parents learned how to build positive relationships with their youth, set appropriate limits, and follow through with consequences.

Strengthening families is sponsored by Helping Services for Youth and Families and paid for by a grant from the Iowa Department of Public Health. The program was developed by Iowa State University Extension and Outreach.

Strengthening Families starts on Thursday, January 25 and runs for 7 weeks, ending on March 8. Classes are each Thursday from 5:30-8 pm at the Delhi United Methodist Church, 304 Market St, Delhi. Each evening begins with dinner for participating families and program facilitators at 5:30pm with educational sessions following from 6-8pm. Dinner is free and available to all who register. Free childcare is also offered on an as-needed basis.

Register by calling Carol Edwards at Helping Services at 563-608-0007 or email Carol at cedwards@helpingservices.org.

Strengthening Families is made possible through the Iowa Partnership for Success Grant Funded by the Iowa Department of Public Health.

Serving families since 1973, Helping Services for Youth & Families is dedicated to responding to current health and safety needs of youth and families through empowerment, support, and education.
