Learning responsibility yields

lifelong rewards for students

Educators agree that responsible children do better in school. Luckily, parents have countless opportunities to teach responsibility—and more influence on their children than anyone else!

To build responsibility:

Use rules and consequences. Enforce a few age-appropriate rules and consequences. State them in easy-to-understand language so your child knows exactly how to behave.

Trust your child with tasks. School-age kids are capable of handling responsibilities such as picking up their rooms and helping you with the laundry.

Let your child make decisions, such as which homework assignment to tackle first. Making decisions builds confidence.

Talk about financial responsibility. Many kids receive an allowance or are paid for extra chores. This is a great opportunity to teach about budgeting, spending, saving and giving.

Find ways to help others. Discuss what it means to be responsible. Help your child find meaningful ways to contribute to her family and to the community, such as doing household chores and donating clothes to charity.

Adjust rules and responsibilities. As your child matures, their abilities will change. Perhaps she can take on more grown-up chores. Or maybe she can make new, exciting decisions. Talk about how great it feels to be responsible.

Regular Board Meeting

April 11, 2016

The regular meeting of the Maquoketa Valley Board of Education was called to order by President John Zietlow at 6:00 p.m. in the Middle School Conference Room in Delhi, Iowa. All motions carried unanimously unless otherwise noted. Five board members were present. There were four staff and one visitor present. The agenda and the consent items were approved.

At 6:02 p.m., President John Zietlow declared this to be the time and place to hold the hearing on the proposed budget for the 2016-2017 school year. The proposed tax rate is \$14.69258. The documents were reviewed and there being no comments, the Board President declared the hearing closed. The motion passed to approve the budget estimate as published. A roll call vote was answered all ayes.

Prior to the book fair held in Delhi during conference in March, Audrey Moenck organized a "Coin War" in grades JK-8. The students were able to raise \$1839.52. This money was used to purchase books for the Delhi library.

Our students scored well on the Iowa Assessments this year. Generally, 80% or more of students being proficient is considered a sign of healthy core instruction. We met this target at every grade level in every area, with 100% proficiency in 3rd grade math and 4th grade science.

The Board approved the low bid from Boland Recreation in the amount of \$80,000 to replace the playground equipment at Delhi Elementary. The equipment will be replaced over the summer.

The Board approved the 2016-2017 membership dues to Iowa Association of School Boards in the amount of \$2,514.

The Board approved the call to request for natural gas proposals.

One open enrollment request in was approved.

The following personnel recommendations were approved:

Jason Helle – resignation from Middle School Boys Basketball Coach (Contingent upon finding a suitable replacement. This is a correction from last month. Mr. Helle will not be resigning from MS Girls Basketball.)

Diane Temple – resignation from Assistant Individual Speech Coach (Contingent upon finding a suitable replacement.)

The Board approved Maquoketa Valley's participation in the 2016-2017 Jones Regional Alternative Program.

The Board approved the proposed grade realignment proposal that was approved by the majority of the PK-3rd grade parents.

Supt. Tuetken asked the Board to begin thinking of potential nominees for the Five Star Award in recognition to an organization or individual who has gone "above and beyond" in their support for our school district. The award will be given at the graduation ceremonies held on May 18th.

The May board meeting will be held at Johnston Elementary.

The Academic Excellence and National Honor ceremonies will be held on May 4th at 6:30 p.m. in the High School commons. Baccalaureate is scheduled for May 15th at 1:30 in the High School Auditorium and the Senior Award Ceremony will begin at 3:00 in the Middle School gym.

The meeting adjourned at 6:59 p.m.

Teacher Appreciation Week

May 2nd - May 6th

5th Grade Student Earns an Award

Anna Deutmeyer, a fifth grade student at Maquoketa Valley, was recently awarded a certificate by Loras Mensen for her first place flag essay. Loras is the Commander for the Earlville Legion, Post 436.

Fifth grade students wrote essays for the American Legion in Earlville in November about what the flag means to them. Anna received 1st place in the local competition. Her essay was sent to the district level where she won 1st place for NE Iowa District #4. Her essay was then sent to the State level where she won 1st place!

There were around 3000 essays statewide submitted in November. This is the first time the Earlville Legion has ever had a student receive first place at the District level and State level.

Anna and her family have been invited to the Legion's State Convention in Coralville in mid-July. Anna will read her essay at the convention.

Anna's parents are Chad and Diane Deutmeyer of Earlville.

Earlville Kindergarten

I love teaching Kindergarten for multiple reasons but the biggest reason is the huge amount of growth that all the students make every year. Most students enter Kindergarten knowing their upper case letters and some letter sounds. By this point in the year they are reading easy leveled reader books and writing sentences! Currently, the students are working on writing an opinion paper. We read a story together as a class and then the students write what their favorite part of the story was. They have learned that you have to have reasons to support your opinion. We are also working on making sure we are writing complete sentences with a capital at the beginning, a period, and spaces between the words. The students are also expected to use their sounds to spell unknown words.

In math the students have finished their unit on addition and subtraction. We are now working with numbers. We have learned about numbers 11-20 and are now working on 20-100. The students have an understanding of greater than, less than, and ways to make ten. They can count by ones and tens to 100.

Science has also been a lot of fun this year with our new science kits. We currently have a variety of "pets" in our classroom including goldfish, guppies, snails and worms! The students are learning what the different animals need to survive and how they compare to each other. We have also done a unit on trees this year. We have observed trees in each season and how they change throughout the year. We have also discussed the importance of trees.

Third Grade News

Kris Wilson

It's been a productive year for our third grade Wildcats. Multiplication, division, and understanding fractions were three major standards to master. The students have filled their "math toolboxes" with numerous strategies to help them multiply and divide, and use those skills to determine the perimeter and area of different shapes.

"Reading to learn" has been our literacy focus, so we've integrated science and social studies topics in with our reading series. Students analyzed historical events to better understand cause and effect. They researched famous women in history in order to infer their character traits and evaluate their influence on society. Our new Earth and Life Science kits include access to e-books, which have taught us how to use sidebars and hyperlinks to further our comprehension.

These tech savvy students have enjoyed using the iPads to create trading cards over famous people and mini posters to showcase their research using Pic Collage. Mrs. Scherrman, our Technology Coach, taught us how to use Google Docs for our writing projects as well as creating a Google presentation. The students have a great deal to feel proud of as they reflect on their achievements over the past school year!

Don't Toss 'Em... Clip 'Em!

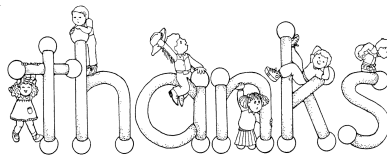

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in December and once in April. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit www.boxtops4education.com. Maquoketa Valley appreciates your support!

Calendar Changes Due to Weather Make Up Days

We currently have 1 school day to make up that was lost due to bad weather. That school day will be made up on:

May 24

Therefore, at this time, the last day of school for students will be May 24. We will have an early dismissal that day - 1:05 pm, in Delhi and 1:15 pm in Earlville and Hopkinton.

I would like to thank the Maquoketa Valley staff, administration, school board, custodians, secretaries, and paras for giving me the greatest 15 years.

I was honored that I was chosen to fulfill a dream that so many people worked for. Over and over I heard how excited people were to have Art in the Elementary grades. I know how important it is to me and I hope I lived up to the expectations the teachers and district had for an Art program.

I could give you facts and figures on right brain growth and bi-lateral brain development but in the world of google you can find that for yourself. But what I love about the Arts is the way the heart grows, with kindness and empathy. I like that generations are brought together in a sharing of talents and ideas. I like that art is a place that children can share their unique ideas and insights.

It has been 15 years of laughing, excitement, and sheer amazement at what the MV students are willing to try. I pushed hard and was rewarded with proud smiles and art work that exceeded anything I see in other schools.

I will miss each and every child that has passed through my classroom for they have given me so much. I will always be proud to say I was part of Maquoketa Valley.

Thank you from the bottom of my heart.

Rhea Knott

Wednesday, April 20, 2016

Summer Hours

The Maquoketa Valley Administration will be working throughout the summer. Hours will be 8:00 AM until 4:00 PM each week, Monday through Thursday. The school office will be CLOSED on Fridays during the summer. This will begin the week of May 30th and run until the week of July 25th.

Note About Lunch

As of Monday, May 2, charging will not be allowed on lunch accounts. You must have money in your account or pay cash to eat. Also, all negative balances must be paid by Friday, May 13th.

Next School Year

2016-2017

The Maquoketa Valley school calendar for next year is now available on our website at :

<http://www.maquoketa-v.k12.ia.us>.

The first day of school for 2016-2017 is

August 23rd, 2016

Report Cards

Report cards for students in grades 7-12 will be available to students or their parents beginning June 9th. You may pick these items up from the Administration at the Delhi Elementary / Middle School Building. If you do not wish to take the time to come to school or do not wish to drive to Delhi, send a self-addressed, stamped envelope to the school's address (P.O. Box 186, Delhi, IA 52223) and the report card will be mailed to you after June 2nd. This is the best way to get your child's report card.

MV Students Selected for Honor Choir

Eight students from Maquoketa Valley were selected to participate in the Northeast Iowa Choral Director's Association Elementary Honor Choir Festival, held in Oelwein on April 26. This event brought together around 160 fifth and sixth grade singers from several schools in northeast Iowa. The fifth grade students that participated in the honor choir were Jeorgia Harmon, Saige Hunt, McKenna Thompson, and Ben Weber. The sixth grade students taking part were Katelin Ante, Noah DeVore, Sydney Freeze, and Brock Trenkamp. The choir was directed by Roxanne Rollefson, K-5 Music Teacher in the Potosi School District located in Southwest Wisconsin.

Open House

Johnston, Earlville, Delhi

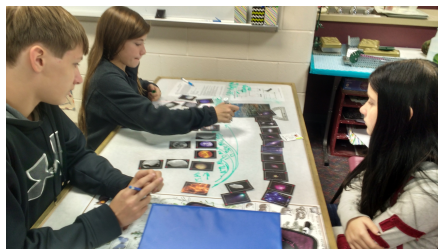

Elementary Centers

May 11th, 6:30 - 8:00 p.m.

NOTE: This open house is an opportunity to tour any of the elementary buildings in the district. If you have never been to one of our elementary centers, we hope you take this opportunity to visit the school, see the classrooms, and familiarize yourself with the center your child may be attending in the future. In the fall, classrooms will look quite different after teachers have moved into their newly assigned rooms. Johnston Elementary will change the most as new carpet, countertops and sinks will be installed over the summer as part of routinely scheduled maintenance. During the August Back-to-School Night, students will have the opportunity to see their classrooms, meet their teachers, and drop off their school supplies.

Maquoketa Valley Middle School Science: Change is Good!

This last August the Iowa Board of Education voted to adopt new state science standards based on the Next Generation Science Standards (NGSS). This meant a major shift in what was to be taught at the middle school level. Fortunately, we have been preparing for this!

My first year of teaching science, I switched from using the Iowa Core to the NGSS to guide what is taught in my classroom. The NGSS offered more rigorous learning and embedded real scientific practices as well as cross-curricular concepts like math, engineering, writing and literacy. It was a way to challenge our students and provide preparation for real life. By using them, I have become knowledgeable with what students have been taught coming into 7th grade, what they need to learn in 7th and 8th grade, and what they will need to know to set them up for success in their high school classes.

In April, with the adoption of NGSS sure to pass, we made the decision to move from teaching just one general science concept a year to teaching aspects from all three general science concepts a year. Each year of middle school will cover life, earth, and physical science. We will do this in a two-year cycle,

covering everything from genetics, to our solar system, to weather, to energy. We have also picked up four new Foss Kit modules that are prepackaged with interesting and applicable hands-on experiments that are already aligned to the new standards.

This transition year has been productive and exciting! With a deadline of two years to enact the NGSS, Maquoketa Valley Science is well ahead of it and blazing a trail of success. Students have been exploring planetary science, heredity, evolution, earth history, and force and motion. Next year they can look forward to organism populations and ecosystems, weather and water cycles, and waves and energy.

We will continue to build our students' strong science learning and encourage our student scientists to grow in curiosity, professional practices, and advanced technological uses. The opportunities for our students grow with each change because they better prepare them for the challenges of our world today. Maquoketa Valley students are set to tackle the challenges of tomorrow.

Track and Field Day

On Friday, May 20th, at 12:45 PM our 5th and 6th graders are going to have a Track and Field Day down at our high school track. Come watch them have some fun!

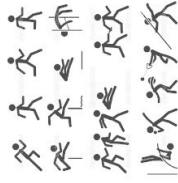

FINE ARTS UPDATE

The Next Fine Arts Booster meeting is May 9th, at 5:30 in the High School commons.

If your child is in Speech, Drama, Music-choir or band you are a member – please help us make the decisions that affect your children.

Calling Track Athletes!

It's time once again to lace up your sneakers for the Maquoketa Valley Booster Club Track Meet!

When: Sunday, May 1st , 2016

Check-in starts at 11:00 AM
Field Events begin at 12:05.

Where: Maquoketa Valley High School Track

Who: Students in 1st - 6th grade. Competition will be divided into Boys & Girls in each grade.

Awards: Medals awarded for 1st - 3rd place in each division.

Entry fee: \$10.00 - if registrations are received by Wednesday, April 27, 2016

\$12.00 – Walk-in registration on day of event for field events only.

Registration forms will be available at Delhi, Earlville & Hopkinton schools and will also be sent home with all elementary students.

Questions: Please call Brett or Barb Wall @ 563-920-6244 or 319-480-0543
email bwall@iowatelecom.net with any questions.

Please plan to attend to support your booster club & MV athletics!

Athletic Boosters Need YOU!!!

The Maquoketa Valley Athletic Boosters are looking for members who would like to be involved in helping organize and run our events. The Athletic Boosters meet the **first Wednesday of every month** (except July) at 6:30 p.m. in the high school cafeteria. Please consider sharing your time & talents so that we may continue to provide the needed assistance to our athletic programs.

Thank You

The **MV Post Prom Committee** would like to say **Thank You** to the Junior Class parents, volunteers, and school staff that gave of their time in preparing for, and working at the Post Prom party. From all the meetings, set up and the planning stages to the cleanup afterwards, you helped to make the night a success!

Thanks also to the students that attended the party. You are what made it all come alive for us!

Rosie the Riveter **Spring Play**

December 7, 1941, America was changed. The government put a freeze on auto manufacturing but ramped up production for the war-time effort. Americans altered their daily life with rations on food, clothing, and fuel. Of course, many men decided to join the military and women joined the workforce. As a result of the war and the changes, the radio and mail became increasingly important for communication between loved ones at home and those fighting overseas. Maquoketa Valley High School's spring play focuses on this time period.

Rosie the Riveter, written by Trey Clarkson, begins in 1942 when Eddie is struggling with his Auto Parts Factory. Because of this, Eddie's secretary, Rosie, convinces Eddie to secure a government contract to transform his factory into one that makes airplane parts. Rosie and many other workers shed the typical women's tradition of staying home to clean the home and raise children. Together, these ladies do their part by building the necessary equipment for the men who are fighting. As Rosie "rolls up her sleeves," she becomes an icon who inspires other women to join the cause.

Friday, May 6 and Saturday, May 7, the Maquoketa Valley drama department will perform ***Rosie the Riveter*** at 7 p.m. each evening in the high school auditorium. Cost for this show is \$5 per person. There will be refreshments for sale during intermission. Tickets will be available for purchase starting Thursday, April 28.

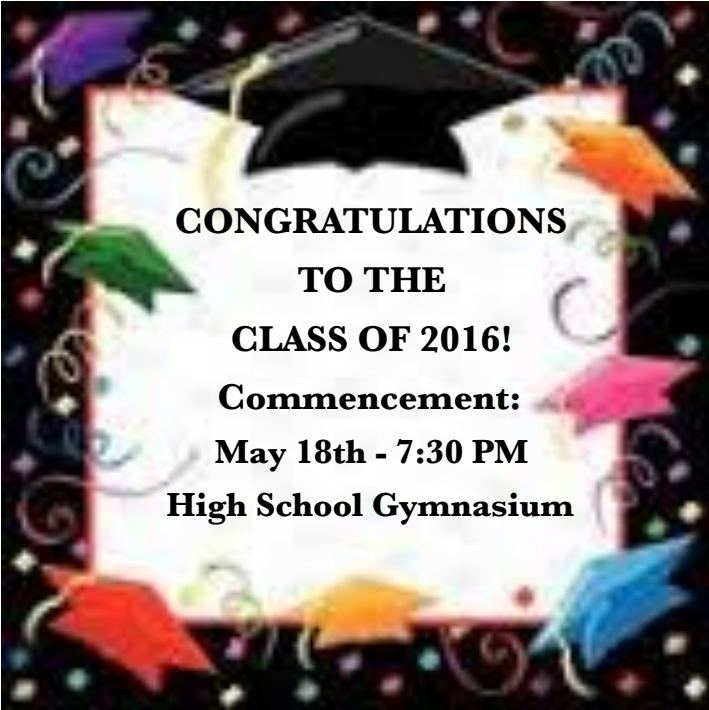

Academic Excellence and National Honor Society Banquet

The following students will be honored at a banquet to be held on Wednesday May 4 - 6:30 p.m.

Anderegg, Macy	Becker, Sienna
Brehm, Kristin	Burkle, Cassie
Callan, Mikayla	Engelken, Amanda
Fischer, Jeremy	Fjelstul, Danica

Speech and Drama Awards Night

The Speech and Drama Awards Night will be held Friday, May 13 at 6:30 p.m. in the high school auditorium. Students who were involved in the musical, large group speech, individual speech, and/or the spring play will be receiving recognition for their participation. Freshmen & sophomores are asked to bring a dessert and juniors are asked to bring a gallon jug of Hawaiian Punch to share with everyone after the awards ceremony.

**CONGRATULATIONS
TO THE
CLASS OF 2016!
Commencement:
May 18th - 7:30 PM
High School Gymnasium**

Baccalaureate

Sunday, May 15

1:30 p.m.

High School Auditorium

MS & HS Concerts

On Tuesday, May 3rd, the **MV High School** Spring Music Awards Concert will be in the Middle School Multipurpose Room at 7:00 PM.

On Thursday, May 19th, the **Middle School** Music Department will hold its spring concert at 6:30 PM in the Middle School Multipurpose Room. Performing will be the bands from the 6th, 7th and 8th grades, the 6th grade chorus, and the 7th and 8th grade choruses.

Be sure to mark your calendars and plan to attend these end-of-the-year concerts to show your support for our musicians.

SENIOR AWARDS

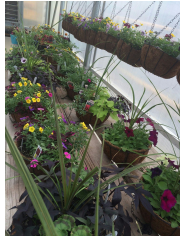

Maquoketa Valley High School Senior Awards Night will be held in the Middle School Multipurpose Room on **Sunday, May 15, 2016, at 3 p.m.** Dollars for Scholars scholarships and other awards and scholarships will be presented at this time.

If you and/or your organization have a scholarship or award that you would like to present or have presented at the Senior Awards Night, please call Barb Hollinrake at 563-922-2091 before 3:30 p.m. on **May 6, 2016.**

LOCATED BEHIND THE HIGH SCHOOL in DELHI

MV Weight Room and Fitness Room Summer Plan

BEGINNING DATE

Monday, June 2nd, 2014

Benefits

- Get bigger, faster & stronger
- Stay fit, get toned & keep in shape
- Learn proper weight training techniques
- Build yourself into a compete athlete to better your performance in all sports and prevent injuries
- Build team spirit and community togetherness & have some fun while exercising
- Opportunity for all students and community members, not just athletes
- Positive influence and qualified assistance at all times
- Chance to lift and walk or run on track afterwards

HOURS

Monday - Friday 6:00 - 8:00 AM and

Monday - Thursday 6:00 - 8:00 PM

FEE

There is NO FEE to use these facilities. Donations towards the upkeep and maintenance of the weight room would be accepted.

Take advantage of our great facilities - and equipment!!

***Dates and hours are the SAME for both the High School Weight Room and Community Fitness Room.

Please park in the Middle School parking lot and enter through the Middle School front entrance. (facing north).

Maquoketa Valley CSD

Athletic Department

Dear Golfers, Sponsors, & Donors,

The Maquoketa Valley Athletic Department is pleased to invite you to the 3rd Annual ***Wildcat Golf Classic***. The event is scheduled for **Saturday August 6, 2016** at Woods Edge Golf Course in Edgewood with a 9:00 A.M. shotgun start.

The Maquoketa Valley Athletic programs continued their rich tradition and achieved high levels of success in 2015-2016. With your support, this fundraiser will help to support our athletic programs and athletes in 2016-2017. Please consider **one or more** of the following options to contribute to the Maquoketa Valley Athletic Department.

The 3rd Annual ***Wildcat Golf Classic*** has a variety of ways for you to contribute.

- Sponsor a hole for \$100.00. A sign signifying your support will be displayed.
- Donate items that will be used for the silent auction & door prizes.
- Register a foursome to golf at \$200 per team, which includes green fees, cart rental, a meal, door prizes, and a guaranteed good time!

You can enter by sending the enclosed form and any donation items to Maquoketa Valley High School by July 15:

Attn: Kevin Kudrna
107 South St.
Delhi, IA 52223

Please direct any questions via email to:

Troy Osterhaus - troyosterhaus@maquoketa-v.k12.ia.us

Scott Moenck - scottmoenck@maquoketa-v.k12.ia.us

Thank you!

Kevin Kudrna
Activities Director
