End of the 2016 – 2017 School Year

As our school year winds down there are still a large number of events and activities that will be occurring. I would like to highlight a few of those for you.

On April 29th, Maquoketa Valley held Prom. The theme for this year was *A Night Under the Lights*. As usual, our juniors did a great job of decorating and our junior parents once again organized a well-run after-prom celebration. Even though the Grand March had to be moved from the auditorium due to set building that was occurring for our upcoming play, Game of Tiaras, to the high school gymnasium, and the dance and after-prom was held in the middle school multipurpose room, the event went off with no significant issues. Hats off to Pam, the junior student's that helped to decorate and those junior parents that organized our after-prom.

Looking ahead to the week of May 1st, it will be extremely busy. On the 1st Maquoketa Valley will host our MV Middle School Track Invite. It takes a large number of people to be able to host a track meet and Maquoketa Valley is known for running meets efficiently. A shout out goes to Mr. Kudrna for his organization of these meets and all those faculty members, as well as our Booster Club members, that volunteer and help work these events.

On May 2nd, Earlville Elementary will be hosting our annual 4-Year Old Preschool Spring Bash. This is a yearly event since the inception of our 4-year old program. The evening will again include a variety of planned activities for our preschoolers and their parents. Again, it takes a large number of individuals to make this event run smoothly. Brenda Becker and a number of our instructors volunteer every year to make this event possible. Thank you to Brenda and the elementary staff for organizing this event.

Also on May 2nd, the High School Music Department will be hosting our annual Senior Awards Concert. This is always an enjoyable evening as the district showcases our talent and recognizes those deserving seniors that have contributed the past 4 years to make our vocal and instrumental program what it is today. Congratulations go out to the work that Mrs. Mueller and Mr. Hadley do for our kids in our music program.

End of the 2016 – 2017 School Year

On May 3rd, the High School will be celebrating and recognizing those students that have excelled in the classroom and have displayed the established pillars of scholarship, service, leadership and character. This is our Academic Excellence and National Honor Society Banquet. Mr. Keith Kramer, Executive Vice-President of F & M Banks, and long time supporter of Maquoketa Valley will be our honored guest this year. Those 9th grade Academic Excellence students that will be recognized on the 3rd include: Chance Downs, Lydia Helle, Carter Hildebrand, Kailyn Hogan, Jordyn Kemp, Mason Lubben, Shelby March, and Summer Schmuecker. Our 10th grade Academic Excellence students this year are: Hannah Lahr, Emma McDowell, Megan Rausch, Chloe Roling, Jon Siebert, Sammy Wall, Brooke Wilson, Norman Wilson and Kelly Winter. Those juniors being recognized include: Amanda Engelken, Heath Gibbs, Macy Hoeger, Danielle Schuman and Brody Severt. Those seniors being recognized are Alec McDowell, Brianna Mensen, Colin Wendt and Nichole Winter.

This years new National Honor Society students include: Brian Heims, Olivia Hoeger, Faith Hunt, Maddie Lahr, Emma McDowell, Kelsey Ries, Jon Siebert, Sammy Wall, Brooke Wilson, Kelly Winter, Brock Hillers, Mitch Neuzil, Brody Severt, and Josie Young. Our current NHS members are: Mikayla Callan, Amanda Engelken, Danica Fjelstul, Amanda Fortman, Heath Gibbs, Rebekah Hill, Macy Hoeger, Abby Holtz, Madison Imler, Clint Krapfl, McKenzie Lansing, Alec McDowell, Brianna Mensen, Kendra Ries, Lea Ries, Payton Ries, Brittany Sabers, Danielle Schuman, Tyson Tucker, Cassi Wilson, Colin Wendt and Nicole Winter. It should be a great night for all those involved.

On May 4th our district will be hosting the varsity Tri-Rivers Conference Track meet. And then on May 5th and 6th our students will present *Game of Tiaras*. This play will be a “combination of gut-wrenching plot twists of Game of Thrones and the soul-numbing despair of Shakespearean tragedy.....that will leave you dying with laughter!” We all know the work that the DeVore’s do within our fine arts department, so it’s sure bet that *Game of Tiaras* will be a great performance.

On May 7th, Baccalaureate will be held in the High School Auditorium at 1:30 and our Dollars for Scholars Senior Awards Ceremony will follow at 3:00. It appears that over \$50,000 will again be distributed to our seniors. It is mind-boggling what the Dollars for Scholars members continue to do each and every year for our graduating seniors.

While all of these things are occurring, the high school remodel and addition project continues to move ahead. Demolition has been occurring to the front area of the building and also in our high school locker rooms.

After the 7th things begin to slow down as we look to wrap up the school year. Graduation will be held on May 17th in the High School Gymnasium. The last day of classes for the remainder of our students is scheduled for May 26th.

So as you can see the month of May is extremely hectic but obviously very worthwhile. If you have any questions, please do not hesitate to contact me.

Regular Board Meeting

April 17, 2017

The regular meeting of the Maquoketa Valley Board of Education was called to order by President John Zietlow at 5:30 p.m. in the Middle School Conference Room in Delhi, Iowa. All motions carried unanimously unless otherwise noted. Four board members were present. There were six staff members and ten visitors present. The agenda and consent items were approved.

On Tuesday, April 5th, the District Wellness Committee met to review and make possible changes to the District Wellness Policy. The committee revised the policy to state that beginning with the 2017-2018 school year, chocolate milk will not be served for breakfast. No other changes were made to the policy for the 2017-2018 school year.

The Board approved and placed on file the Tax Exemption Certificate for the proposed issuance of \$4,000,000 School Infrastructure Sales, Service and Use Tax Revenue Bonds, Series 2017. A roll call vote was answered all ayes.

The Board approved the following resolution:

“RESOLUTION AUTHORIZING AND PROVIDING FOR THE TERMS OF ISSUANCE AND SECURING THE PAYMENT OF \$4,000,000 SCHOOL INFRASTRUCTURE SALES, SERVICE AND USE TAX REVENUE BONDS, SERIES 2017, OF THE MAQUOKETA VALLEY COMMUNITY SCHOOL DISTRICT, STATE OF IOWA, UNDER THE PROVISIONS OF CHAPTERS 423E AND 423F OF THE CODE OF IOWA, AND PROVIDING FOR A METHOD OF PAYMENT OF SAID BONDS.”

A roll call vote was answered all ayes.

The Board approved the A-1 Storage contract for the rental of storage containers.

The Board also approved the 2017-2018 membership dues to Iowa Association of School Board in the amount of \$2,645.00.

The Board approved a bid in the amount of \$86,529 from Hoglund Bus for the purchase of a 65-passenger school bus which will be delivered after July 1st. SAVE dollars will be used to purchase this bus.

At 6:10 p.m. in a motion by Dabroski, seconded by Huber the Board entered into a closed session pursuant to Chapter 21.9 of the Code of Iowa for the purpose of discussing strategy in matters relating to employment conditions of employees of the school who are not covered by the collective bargaining agreement. A roll call vote was answered all ayes. At 6:39 p.m. the Board entered into open session.

The following salary adjustments were approved:

Classified Staff: average salary increase of 2.25% plus step movement

Superintendent: Shared contract with Midland which includes transportation. This will be a 50/50 split of all salary and benefits with Midland. This is a one-year contract. Maquoketa Valley's salary portion will be \$82,500. Maquoketa Valley's base contract will be a three-year rollover contract.

School Improvement Director, Elementary Principal, Delhi/Middle School Principal, Dean of Students: \$7,636 total package which is an average 2% salary increase per position

Business Manager: \$2,000 salary increase (sharing agreement)

High School Principal: \$83,000/year with a 220-day contract

The board also approved two-year Administrative contracts for the 2017-2018 school year.

The meeting adjourned at 6:41 p.m.

Special Board Meeting

April 10, 2017

A special meeting of the Maquoketa Valley Board of Education was called to order by Vice President Mike Feldmann at 5:15 p.m. in the Middle School Conference Room in Delhi, Iowa. All motions carried unanimously unless otherwise noted. Three board members were present. There were two staff members present. The agenda was approved.

At 5:16 p.m., Vice President Mike Feldmann declared this to be the time and place to hold the hearing on the proposed budget for the 2017-2018 school year. The proposed tax rate is \$10.62406. The documents were reviewed and there being no comments, the Board Vice President declared the hearing closed. The motion passed to approve the budget estimate as published. A roll call vote was answered all ayes.

One open enrollment request in was approved.

The Board approved the bond counsel engagement agreement from Ahlers and Cooney, P.C. of the proposed issuance of approximately \$4,000,000 School Infrastructure Sales, Service and Use Tax Revenue Bonds, Series 2017.

The following personnel recommendations were approved:

Travis Ford – employed as Instrumental Music Teacher

Troy Osterhaus – employed as 9-12 HS Principal

The Board also approved Maquoketa Valley Community School's participation in the Jones Regional Alternative Program for the 2017-2018 school year.

The meeting adjourned at 5:34 p.m.

The Foundation for the Future of Delaware County Grant

Maquoketa Valley has received a grant from The Foundation for the Future of Delaware County to create Makerspace Labs in Earlville Elementary, Johnston Elementary, Delhi Elementary, and Maquoketa Valley Middle School. Within these labs would be age appropriate materials and technologies for students to research, build, create, tinker, and most importantly share ideas, successes, and failure. Through Makerspaces, students can take ownership of their learning and incorporate technologies that will allow them to show original thinking and become problem solvers. The Foundation for the Future of Delaware County has graciously chosen Maquoketa Valley as a recipient, and without this grant, our students wouldn't be able to have access to these new materials and technologies, so we truly appreciate this opportunity.

Here's what the grant will allow us to purchase:

In Earlville Elementary which is our early childhood center housing 4 year old Preschool, Junior Kindergarten, and Kindergarten will be simpler technologies and materials such as Legos, K'Nex, and Stop Motion Video Animation Sets that would work the iPads that are already used in the classroom.

At Johnston Elementary where all of our first and second graders attend, much of the same materials and technologies are age appropriate, but a few additions will be beneficial. K'Nex makes a "Discover Controls" kit that will allow students to learn and build using small motors, buzzers and LEDs that is listed to fit best with grades 1-3. Also, we are adding the Snap Circuits set where students could learn about electronics such as doorbells, FM Radio technology, and more.

At Delhi Elementary where our third, fourth, and fifth grade students attend, as well as Maquoketa Valley Middle school where our sixth, seventh, and eighth graders attend will contain much of the same materials as the lower elementaries with a few adjustments. The K'Nex kit that best fits this age group instead of the "Discover Controls" kit is the "K'Nex Energy, Motion, and Aeronautics Kit." While using this kit, students will explore concepts about force and motion and people who work and live in space. Another addition will be a Little Bits STEAM Student Set. Little Bits are easy-to-use magnetized electronic building blocks where students would be able to create endless things using electronics such as a light switch or motorized car. Lastly, Google Cardboard which is a virtual reality tool will be added to the Delhi campus.

Wellness Committee

The annual Wellness Committee meeting was held on Wednesday, April 5. It was noted that overall, Maquoketa Valley is doing many things well when it comes to nutrition and activity. However, there are always ways to improve things. Last year we had decided on some changes, for our milk program. It was shared that the change to cheese sticks at snack time has been going well. Cara Recker RD, and member, shared some statistics and facts about children's need for calcium and other nutrients. After hearing this information and some further discussion, it was decided that the committee would recommend, for next year, that white milk

only, will be served at breakfast. Next spring the committee will analyze if further steps need to be taken to reduce the consumption of chocolate milk by our early childhood and elementary children." Next school year, 2017-18, the change will look like this: Only white milk will be available at breakfast time, everyday. Chocolate milk will continue to be served at lunch, everyday. These guidelines will be for our PS-8th grade students. Cheese, at snack time, will continue without changes.

I just want to say **THANK YOU** to all of the wonderful parents and staff members that have helped me through my first year as the elementary and middle school counselor at Maquoketa Valley! This truly is an amazing community, and I am blessed that I was able to be part of it! It has been a busy year for guidance lessons. Students have learned problem solving skills, internet safety, teamwork, growth mindset, careers, and so much more. I may have taught the students life skills, but the students have changed my life! Thank you again for all of your support this school year! -

Class Meetings

If your child is in Kindergarten thru eighth grades they most likely participate in a class meeting at least 1 time each week. Class meetings are a great way for teachers and students to review wildcat way expectations, participate in team building activities, practice mindfulness and coping strategies and review social skill and problem solving strategies taught in guidance lessons. They also set the tone for respectful and engaging learning in a climate of trust among their peers. There are 3 parts to a class meeting, the greeting, a message/skill building activity and a review of the days schedule. The class meeting provides students with many opportunities to practice the skills of greeting, listening and responding, and group-problem solving. To be successful with academics students also need to learn social and emotional skills such as cooperation, assertiveness, responsibility, empathy, and self-control. Class meetings are a wonderful and fun tool for teachers to build upon students social and emotional skill set!

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in November and once in March. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit www.boxtops4education.com. Maquoketa Valley appreciates your support!

Summer is about here, a time for swimming, camping, vacations, ball games, etc. Students often think of it as a time away from SCHOOL! Even though students are away from school it should not be a time away from reading. It is important for you as parents to instill a love of reading in the eyes of your child. Help them see reading as a fun time, not a work time. There are different ways to do this and help your child succeed:

- Be an example of a person who loves to read
- Make sure your child has access to books throughout the summer
- Building comprehension - boost your child's understanding of a story by asking him/her to retell it
- Building vocabulary - a large vocabulary can help your child become a better reader and writer
 - activities:
 - * When you and your youngster go places, point out words that people use. Maybe a waiter describes an entree or the dentist talks about molars. Encourage your child to figure out what they mean by how they are used.
 - * Go beyond the nouns. Help your youngster add verbs and adjectives to his/her vocabulary. Sports and games offer opportunities to use action words. Let your child hear you comment on the baseball/softball that soars or the runner who sprints.

And most importantly, have your child - READ, READ, READ! Have a great summer.

Mrs. Martin, Title 1 Reading

Note About Lunch

As of Monday, May 1, charging will not be allowed on lunch accounts. You must have money in your account or pay cash to eat. Also, all negative balances **must be paid by Friday, May 12th.**

Calendar Changes Due to Weather Make Up Days

We currently have 2 school days to make up that were lost due to bad weather. They will be made up on:

May 25
May 26

Therefore, at this time, the last day of school for students will be May 26. We will have an early dismissal that day - 1:05 pm.

Athletic Boosters Need YOU!!!

The Maquoketa Valley Athletic Boosters are looking for members who would like to be involved in helping organize and run our events. The Athletic Boosters meet the **first Wednesday of every month** (except July) at 6:30 p.m. in the high school cafeteria. Please consider sharing your time & talents so that we may continue to provide the needed assistance to our athletic programs.

FINE ARTS UPDATE

The Next Fine Arts Booster meeting is May 8th, at 5:30 in the High School commons.

If your child is in Speech, Drama, Music-choir or band you are a member – please help us make the decisions that affect your children.

Summer Hours

The Maquoketa Valley Administration will be working throughout the summer. Hours will be 8:00 AM until 4:00 PM each week, Monday through Thursday. The school office will be CLOSED on Fridays during the summer. This will begin the week of June 5th and run until the week of July 24th.

Report Cards

Report cards for students in grades 7-12 will be available to students or their parents beginning June 9th. You may pick these items up from the Administration at the Delhi Elementary / Middle School Building. If you do not wish to take the time to come to school or do not wish to drive to Delhi, send a self-addressed, stamped envelope to the school's address (P.O. Box 186, Delhi, IA 52223) and the report card will be mailed to you after June 5th. This is the best way to get your child's report card.

Next School Year

2017-2018

The Maquoketa Valley school calendar for next year is now available on our website at :

<http://www.maquoketa-v.k12.ia.us>.

The first day of school for 2017-2018 is

August 23rd, 2017

Spring Play

The Maquoketa Valley Drama Department will present **Don Zolidis's Game of Tiaras** on **May 5 and 6 at 7p.m.** in the MV auditorium. Zolidis's play intertwines a Shakespearean tragedy, princesses, and the popular show Game of Thrones. The King of the Magical Kingdom is getting old and decides to divide his land between his three daughters: Cinderella, Belle, and the Snow Queen. However, this only brings great tragedy as the body count (and red streamers) multiply. Who will win the crown? Who will survive? All of these questions will be answered on May 5 and 6. Stop on by for a night full of merriment, tragedy, and laughs!

May 1st - May 5th

The **Scholastic Book Fair** visited Maquoketa Valley on March 21 & March 23 during Spring Conferences in Delhi, but the excitement didn't start there. Students spent the week before the Book Fair creating Wish Lists, previewing the Book Fair, and participating in a K-8 Coin War. The hallways were buzzing with an eagerness to earn some new books for our district classrooms and libraries. The winners also earned special prizes throughout the week. The competition got fierce as each K-6 classroom was eager to win privileges such as an extra recess, lunch in the classroom, a library lock-in, or a \$2 coupon to spend at the Book Fair. The elementary students (K-6) in all buildings (Delhi, Johnston, Earlville) were able to raise \$2,032.85 to purchase new books for their classrooms. Middle School students got excited about a little different prize as these students voted for two teachers to face off in an egg roulette at the end of the Coin War week. Mrs. Ali Scherrman and Mr. Dan Cassutt were the lucky winners of this competition and they went head to head, literally. They smashed eggs on their foreheads to see who happened to find the two out of three raw eggs amongst the hard boiled ones. The Middle School students were able to raise \$255.54 to purchase new books for their ELA classrooms. With the money earned over the course of the Coin War, teachers were able to purchase 287 new books for their classrooms (K-8). The students were thrilled! All of this excitement spilled over into the following week when the Book Fair opened to the public during Spring Conferences. The district had a record-breaking year, selling over 1,600 books in just 2 days! With the profit earned from this year's Book Fair, our district libraries have already been able to purchase 286 new books with many more to be purchased during the 2017-2018 school year. A big "Thank You" to everyone who contributed to the success of MV's Scholastic Book Fair this year -- our classrooms, libraries, teachers, and students benefit greatly from your support!

Please Turn the Bottom Form and Payment into Office by Friday, May 19, 2017

Cost: \$35

Make Checks Payable to MV Baseball

All proceeds from the camp will be put back into the Maquoketa Valley Baseball Fund. The players who attend the camp will be assisted by the Maquoketa Valley Baseball Coaches and high school players learning about the game of baseball. There will be give-away items throughout the week, and each player who attends the camp will have their name put into a drawing to receive an Akadema Glove.
