Players, Coaches and Fans,

You hear our announcer say it before every home event, "as a guest of the Maquoketa Valley Community School District good sportsmanship is expected from all who attend the game.

Please show respect to the players, coaches, officials, and other fans by exhibiting good sportsmanship and appropriate behaviors while cheering. Poor sportsmanship or inappropriate behaviors will result in removal from the event or exclusion from all activities at the Maquoketa Valley Community School District. Enjoy the game and take pride in displaying good sportsmanship!

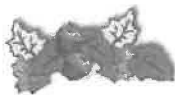

This message that is read before every home event is a reminder to you of what is expected of you while in attendance of a Maquoketa Valley event. Your actions are a direct reflection of our school, whether they be good or bad. We should take pride in having a good reputation during events. Even though our event season is a quarter done, there are plenty of opportunities left to show your Wildcat Pride by displaying proper sportsmanship. Please keep this in mind as we go forward with our activities seasons.

We firmly believe that we have great kids here at Maquoketa Valley, supported by caring and concerned parents and other people in the community. We believe that the sportsmanship that is displayed by the majority of our fans, players and coaches is something that we should take pride in. There are some certain instances that may arise where we will not tolerate here at Maquoketa Valley. If you talk to officials, they will tell you that they are not perfect when making calls. A very small few of people in attendance seem to want to ride the officials about every single call that they make. Some people even go as far as using foul or abusive language towards officials. Please keep in mind that you are setting an example for the younger generation of Maquoketa Valley athletes and fans. Fans, coaches and players should serve as role models showing young people how to act appropriately.

If we can focus on the fact that each official is human, and that their call that they made probably won't get changed regardless of what a fan, coach or player says, then we can give more attention to the more important matter at hand, and that is the great experiences that people are getting and life lessons that they are learning as they get a chance to participate in activities at Maquoketa Valley.

Thank you for your consideration on this topic, and always **GO CATS!!!!**

When bad weather hits, please turn to one of these TV or radio stations. Please DO NOT call the school. Their lines will be busy contacting personnel, other schools, bus drivers, etc.

The Athletic Boosters meet the **first Wednesday of every month** (except July) at 6:30 pm in the high school cafeteria. Please consider sharing your time & talents so that we may continue to provide the needed assistance to our athletic programs.

7th and 8th Grade Language Arts

7th and 8th Grade Language Arts students are working on the Science Fiction Unit. Within this unit, students chose between 3 or 4 novels that all fell within the student's reading level, and reading groups were formed based on the choices. We started reading the novels on October 9, and students have 25 class days to read the book. Each reading group has a weekly discussion over the novel in order to gain a deeper understanding of the novel. Along with reading the novels and having discussions, students are working on skills such as determining theme, using textual evidence as support for conclusions, and evaluating the society in the novel. Students will also be evaluating and analyzing aspects of our society and making comparisons between the two societies. There will be an end of the unit essay where students will be writing about their version of a perfect society using the analysis of the book's society and our society for support for the decisions being made. Although this task will be a challenge for the students, hopefully they can use their imagination to complete it.

Can Drive

The Maquoketa Valley Girls basketball program is having a Can Drive on Sunday November 5th at 11:30 and ending at 2:00. All proceeds will go to Maquoketa Valley Girls basketball.

You can drop your cans off in Hopkinton, Delhi, and Earville at any of the 3 schools on November 5th between 11:30 and 2:00.

If you want your cans picked up please feel free to e-mail me at any time.

Thanks!

Third Grades Attend

Orchestra Concert

October 11 was an exciting day for our third grade students as they had the opportunity to experience a live orchestra concert. They attended the Dubuque Symphony Orchestra's Annual Arts Trek Concert for area third grade students. They were thrilled to be able to see the concert in the historic Dubuque Five Flags Theater.

The concert included familiar tunes from **Star Wars** and **Spiderman**. They were also treated to the first movement of Beethoven's Fifth Symphony. Each of the instruments was introduced individually so they could hear the special sound each contributes to the orchestra. They also were amazed by Aaron Pulvermacher, a Senior from Benton High School in Wisconsin, who performed a saxophone solo with the orchestra.

The concert was provided free of charge, thanks to the sponsorship by Mark and Cheryl Falb of Dubuque.

Wildcat Way- Bus Expectations

The Wildcat Way has been an effective tool to help students learn about being respectful, responsible, and safe in many areas of the school. The Wildcat Way also addresses expectations for all students riding our buses. Being respectful on the buses means students are greeting the bus driver, using kind and appropriate language, and a voice level that allows the driver to focus on the main job of driving. Students also need to respect other's personal space and property. Students demonstrate responsibility by listening to and following directions, keeping track of their personal items, and going directly to their destination after exiting the bus. Students' behavior also effects their safety. Students can be safe by getting on and off the bus carefully, one student at a time. They also need to stay seated (back to back, seat to seat, feet on the floor) and keep their hands and feet to themselves. If students follow these expectations, everyone will have a pleasant bus ride to and from school. One additional procedure in place is we have our youngest students sit in the front of the bus, followed by our early elementary students, and then our upper elementary students. Our middle schoolers and high schoolers sit in the back of the bus. By using this seating arrangement, our students are interacting with students of the same age which is appropriate for them. We all want riding the bus to be a positive experience for everyone involved. If we follow the Wildcat Way, this will be achieved.

REAL LIFE ACADEMY FOR SENIORS

On Wednesday, November 1, Maquoketa Valley and Ed-Co seniors will have the opportunity to participate in the Real Life Academy at Maquoketa Valley High School. The Real Life Academy is sponsored by the Delaware County School to Work Committee and introduces high school seniors to the real world of day to day finance--making choices, paying bills and dealing with whatever "fate" may hand you.

Participants are assigned one of their chosen professions, their marital status, and whether or not they have children and/or pets. They are also given their monthly salary and a credit card with no outstanding balance. Most students also have a student loan payment. Students are given a checkbook and register and are required to pay taxes, buy or rent housing, purchase vehicles, insurance, fuel, groceries, clothing, make investments and charitable contributions, pay for child care, pay the phone bill, utilities, etc.

Local business people will be at tables that the students visit to pay for their monthly expenses. There will also be a "Fate" table, where students draw two cards of chance. Sometimes these are positive or they might be negative. There is also a roaming nurse and police officer who hand out fate cards. In order to exit the Real Life Academy students must meet with a banker who reviews the check register to make sure that the student is on track and has between \$0 and \$200 left in their account.

This is the tenth year for the Real Life Academy in Delaware County and it is an excellent opportunity for seniors to experience what budgeting is like in the real world. For more information please contact Barb Hollinrake at the high school at 563-922-2091.

Delhi United Methodist Church is collecting pop tabs for Camp Courageous of Iowa. Camp Courageous is a year-round camp for youth, kids, and adults with disabilities. It is located in Monticello, IA. The camp is run entirely on donations. Pop tabs can be sent to Delhi Elementary/Middle School with your student.

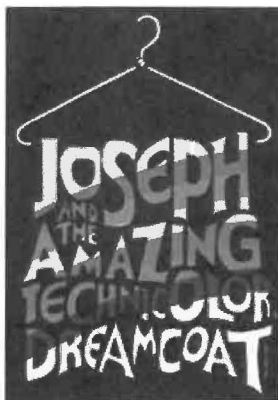

DeAnna Hogan, in the library, will be managing these donations. Farr Jebens, member of the Visitation Ministry Team at the church, will then collect them. More information about Camp Courageous of Iowa can be found at www.campcourageous.org. Thank you for your help in raising money for this organization!

Don't Toss 'Em...Clip 'Em!

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in November and once in March. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit www.boxtops4education.com. Maquoketa Valley appreciates your support!

Preschool

In preschool, we are currently studying friends and feelings. Thus far, we have discussed what characteristics make a good friend and how to create a lasting friendship. As a class we have discussed different emotions and feelings that we experience. We've also discussed how it's all right to have different feelings as long as we handle those emotions in an appropriate manner. To remind students how to handle our emotions we read Tucker The Turtle Tucks Inside. This story illustrates how to handle anger by taking three deep breaths, calming down, and then consulting the classroom "solution kit book." A lot of the preschool students are starting to understand there are several solutions to a problem when playing with our friends. We can share, trade, set a timer, or take turns. We will continue to review emotions and feelings throughout the school year.

We have also been studying pumpkins and fall. We had a great field trip to Sherman's Pumpkin Patch in Manchester. Dean took the class and our parent volunteers on a hay rack ride, a sneak peek through the corn maze, and allowed the class to select a pumpkin for the classroom. We look forward to more exciting field trips and fun activities in preschool!

**WANT A GREAT WAY TO BE INVOLVED IN THE COMMUNITY? YOU CAN
MAKE A LIFE-LONG DIFFERENCE IN AS LITTLE AS AN HOUR A WEEK!**

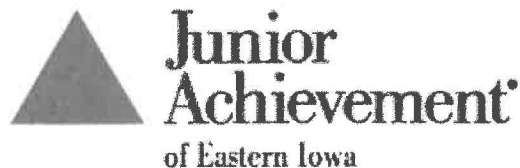

For as little as an hour a week, for 5-6 weeks, you can use Junior Achievement's easy and fun activities to teach kids about financial literacy, careers, starting their own business, and much, much more! You can make a difference in the lives of young people in our community. Your Junior Achievement experience will leave you feeling proud, energized, and hopeful for a better future for our local young people.

We provide everything you need in a kit. You can choose the school, the grade, and sometimes the teacher you want to work with. No experience necessary!

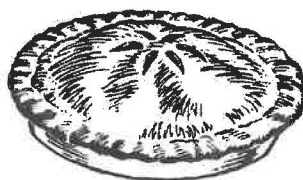

Your local school or JA office has an immediate need for classroom volunteers in the area. Why not give it a try?
