Your Mother Was Right

Eating breakfast can help your child concentrate, give them strength and even help them maintain a healthy weight.

Your mother was right: Breakfast really is the most important meal of the day. Not only does it give you energy to start a new day, but breakfast is linked to many health benefits, including weight control and improved performance.

Studies show that eating a *healthy* breakfast (as opposed to the kind containing doughnuts and soda) can help give you:

- * A more nutritionally complete diet, higher in nutrients, vitamins and minerals
- * Improved concentration and performance in the classroom or the boardroom
- * More strength and endurance to engage in physical activity
- * Lower cholesterol levels

Eating breakfast is important for everyone, but is especially true for children and adolescents. According to the American Dietetic Association, children who eat breakfast perform better in the classroom and on the playground, with better concentration, problem-solving skills, and eye-hand coordination.

Maquoketa Valley provides daily breakfast, for your child, at a nominal fee or through the free and reduced program, to assist you in providing this essential meal of the day. Options for all students include menu items such as: cereal, yogurt, bagels, peanut butter and jelly sandwiches, a cheese stick or a hot entre. Also, fruit juice or a piece of fruit, white milk (for students PS-8) or white/ chocolate milk (for students 9-12). More menu options, for our HS students, are being looked at for our 2018/19 school year.

Hello Fifth Grade Parents and Students

A reminder that Beginning Band Night has been scheduled for **Thursday, September 6, at 7:00 p.m. in the Middle School Commons** for those students interested in joining the band. It is encouraged that everyone attends to see what band at Maquoketa Valley is all about! At this meeting, we will discuss the band program expectations and will be able to set up instrument rentals for the children that would like to join the band. West Music will be on site to offer their rental program of both new and used instruments. The instruments that West Music offers are well maintained instruments that will allow your student to find success as a musician!

Please note: It is highly recommended that instruments **not** be purchased from discount stores or online vendors. Many low quality instruments are sold in this manner. They often have poor tone, end up costing more in the long run with repair issues, and, are sometimes unplayable for the student.

MV'S GOT TALENT!!!

Mentors Needed for After School Mentoring Program!

As a high schooler, you define what's cool and acceptable. You're what every elementary student wants to be like. And because of this status, you can be the highlight of a kid's day, every week. How? Become a mentor, and take one hour a week to hang out with a young student after school this next year.

"I am so excited about going to school on Wednesday's because I know that after school, I get to see my mentor and we get to do fun things together!"

How does it work?

1. Email Ellen, the Youth Mentoring Coordinator at Helping Services at ekrogmann@helpingservices.org or text to 563/379-3454 to get an application to complete, she will connect you with a youth, age 7 to 13.
2. You'll get a bit of training and conversation ideas from Ellen throughout the year to help you help your mentee.
3. One hour each week you will meet together after school in the West Delaware Lambert Elementary School lunchroom. During that time you can do whatever you two choose, such as play board games, do a craft, work on a mentee's school assignment, or play on the playground.

Currently, 7 young students are waiting for a mentor in your school district! You can be that positive adult role model they look up to. Studies show that a child who has a mentor:

- improves school attendance
- develops positive habits that lead to success not only in school but in life
- has a higher self-esteem and a more positive attitude
- enriches relationships with other family members
- enhances attitude towards school
- is less likely to use alcohol, tobacco, and other drugs
- experiences a decrease in negative behavior

Every child needs a caring and supportive adult in his or her life. Take one hour each week this 2018-2019 school year to be a unique role model for someone. You'll reward yourself by investing in someone else. Guaranteed. For more information call (563) 379-3454, visit our website at www.helpingservices.org/mentoring, or find us on Facebook.

Players, Coaches and Fans,

You hear our announcer say it before every home event, “as a guest of the Maquoketa Valley Community School District good sportsmanship is expected from all who attend the game.

Please show respect to the players, coaches, officials, and other fans by exhibiting good sportsmanship and appropriate behaviors while cheering. Poor sportsmanship or inappropriate behaviors will result in removal from the event or exclusion from all activities at the Maquoketa Valley Community School District. Enjoy the game and take pride in displaying good sportsmanship!

This message that is read before every home event is a reminder to you of what is expected of you while in attendance of a Maquoketa Valley event. Your actions are a direct reflection of our school, whether they be good or bad. We should take pride in having a good reputation during events. Even though our event season is a quarter done, there are plenty of opportunities left to show your Wildcat Pride by displaying proper sportsmanship. Please keep this in mind as we go forward with our activities seasons.

We firmly believe that we have great kids here at Maquoketa Valley, supported by caring and concerned parents and other people in the community. We believe that the sportsmanship that is displayed by the majority of our fans, players and coaches is something that we should take pride in. There are some certain instances that may arise where we will not tolerate here at Maquoketa Valley. If you talk to officials, they will tell you that they are not perfect when making calls. A very small few of people in attendance seem to want to ride the officials about every single call that they make. Some people even go as far as using foul or abusive language towards officials. Please keep in mind that you are setting an example for the younger generation of Maquoketa Valley athletes and fans. Fans, coaches and players should serve as role models showing young people how to act appropriately.

If we can focus on the fact that each official is human, and that their call that they made probably won't get changed regardless of what a fan, coach or player says, then we can give more attention to the more important matter at hand, and that is the great experiences that people are getting and life lessons that they are learning as they get a chance to participate in activities at Maquoketa Valley. Thank you for your consideration on this topic, and always GO CATS!!!!

Mr. Conner and Mr. Kudrna

Volunteers Welcome

The Iowa State Patrol reminds all drivers to please be extra careful as you drive through school zones and on Iowa's roadways. Please stay alert for pedestrian and school bus traffic.

Guidelines for Volunteers

Photo and Video Consent

Throughout the school year, there may be times when Maquoketa Valley Community School District staff, the media, or other organizations, with the approval of the school principal, may take photographs of students, audio/videotape students, or interview students for school-related stories. These photographs and video may be used for publicity, promotional, and education purposes including newspaper publications, informational brochures, posts on social media, or posted to the school district's webpage. Names of students are not used in these publications except for team related pictures. If you would prefer that your child's picture not to be taken for these purposes, please contact your child's school office. The office will provide you with a form to complete stating this preference.

Maquoketa Valley is always in need of kind, caring adults who want to give their time to be with and help the children at school. The role of a volunteer is an important one, and while enjoyable, requires accepting certain responsibilities. We have developed guidelines to help ensure that Maquoketa Valley students and our volunteers have a safe and rewarding experience while at school. We are asking that all volunteers who are supervising students, who volunteer on a consistent basis, or who are accompanying students at an event to sign a "Guidelines for Volunteer" form and also complete the paperwork for the district's background check. This will help to further protect our students as well as our volunteers. These forms can be picked up in any of our school offices.

Open Enrollment

Parents/guardians considering the use of the open enrollment option to enroll their child/ren in another public school district in the state of Iowa should be aware of the following dates.

March 1, 2019 - Last date for regular open enrollment requests for the 2019-2020 school year.

September 1, 2019 - Last date to open enrollment requests for students entering kindergarten for '19-20

Parents should be aware that only "good cause" reasons will be considered past the deadline. Parents/guardians of open enrollment students whose income falls below 160% of the federal poverty guidelines are eligible for transportation assistance. This may be in the form of actual transportation or in the form of a cash stipend.

Parents should be aware that open enrollment may result in the loss of athletic eligibility. If an original request to open enroll was based on repeated acts of harassment or a serious health condition of a student, parents have the right to appeal to the State Board of Education if the request to open enroll was denied.

For further details, and appropriate forms, contact the school administration office at 563-922-9422.

Student Directory

The following information may be released to the public in regard to any individual student of the school district as necessity or desirability arises. Any student, parent, or guardian not wanting this information released to the public must make objection in writing to the principal or other person in charge of the school which the student is attending. It is desirable to renew this objection at the beginning of each school year:

Name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent previous school or institution attended by the student, student ID number, user ID.

Any high school parent who does NOT wish to have your child's information released to any outside organization or business, please pick a form up in the high school office.

Level One Investigator

According to Iowa Code chapter 281 - 1AC chapter 102, all school boards in Iowa must designate at least one Level One investigator annually to look into allegations of abuse of students by school employees. The Level One investigator for Maquoketa Valley Schools is Administrator, Brenda Becker . If you have any questions concerning this subject, please contact Brenda Becker at Delhi Middle School, phone number 563-922-9411.

Teacher Qualifications

Parents and guardians in the Maquoketa Valley School District have the right to learn about the following regarding their child's teacher's qualifications: state licensure status, special endorsements for grade level / subject area taught and baccalaureate / graduate certification / degree. Parents and guardians may request this information from the Administration Office at 563-922-9422 or be sending a letter of request to the Office of the Superintendent, Maquoketa Valley Schools, 112 3rd Street., P.O. Box 186, Delhi, IA 52223-0186.

Senate File 2094, Human Growth and Development, requires annual notification to parents of their right to review all human growth and development curriculum. You may do so by contacting Ann Norton, School Improvement Coordinator, at 563-926-2701. A pupil shall not be required to take instruction in human growth and development as long as the pupil's parents or guardian files with the appropriate principal a written request that the pupil be excused from the instruction.

Medication Policy Update

Medication ordered by a doctor, and over-the-counter medicines may be given at school. In order for medication to be given, the parent will need to obtain a "Drug Release" form from the school office. A supply of these forms will be kept in the elementary offices as well as in the high school office. This form must be signed by the parent or legal guardian. It is the parents' responsibility to bring the form and the medicine to school. Medication must be in the original container. Tell your pharmacist you need a bottle labeled for school. Medications ordered three times per day does not necessarily have to be given at school unless it is specifically ordered at that time. It is possible to give it at home before the child leaves for school, after school, and at bedtime. If you have questions regarding this policy, please call Mary Ries, the M.V. School Nurse at 563-922-9411.

Asbestos and AHERA

The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA) was enacted by Congress fourteen years ago. AHERA was created to determine the extent of, and develop solutions for, any problems schools may have with asbestos. During the summer months of 2003 we replaced new ceiling tile in the auditorium with asbestos-free tile. Then in the summer 2004, that same type of tile was replaced in the Family and Consumer Health classroom in the high school building. The summer of 2012 asbestos insulation was removed from around the boilers and pipes. The records of our asbestos reports and removal are on file at the Maquoketa Valley Business Office and can be viewed Monday through Friday, between 8:00 AM and 4:00 PM. Any inquires regarding the plan should be directed to Doug Steger, Maintenance Coordinator.

2. The principal or his/her designee shall be the custodian of all student records at the building level and shall make maximum provision for protection of student records from review by unauthorized personnel and for maximum physical security of such student records.

FERPA responsibilities

Federal law requires that school districts annually send to parents a notice of rights under the Family Educational Rights and Privacy Act (FERPA) and the Protection of Pupil Rights Amendment (PPRA). The law does not state when the notices are to be sent to parents, but at the beginning of the school year makes the most sense. The U.S. Department of Education provides model notices at the links below. Questions about FERPA or the PPRA should be direct to the Family Policy Compliance Office of the U.S. Department of Education at 202-260-3887 or FERPA@ED.Gov.

Family Rights and Privacy

The Family Rights and Privacy Act of 1974 requires annual notification to parents of children enrolled in special education instructional programs, operated by this school district of their rights to review the special educational records of their children.

This federal law allows the parent or guardian the following: (1) a review of your child's special education records; (2) to obtain copies at a nominal fee; (3) to write a response to materials in the record; (4) to challenge the content of the records on the grounds of inappropriateness or inaccuracy.

You also have the right to have such records explained to you by a professional staff member if you so desire. If you desire further information, contact the Superintendent of Schools or the School Board Secretary at Maquoketa Valley Community Schools, Delhi, Iowa 52223, phone 563-922-9422.

Notice of Nondiscrimination

It is the policy of the Maquoketa Valley Community Schools not to discriminate on the basis of race, creed, color, sex, sexual orientation, gender identity, national origin, disability, religion in its programs, activities, or physical or mental disability in its programs, activities, or employment practices as required by the Iowa Code Sections 216.9 and 19B.11, Titles VI and VII of the Civil Rights Act of 1964 (42 U.S.C. §2000d and §2000e), the Equal Pay Act of 1973 (29 U.S.C. §206 et seq.), Title IX (Educational Amendments, 20 U.S.C. §1681-1688), Section 504 (Rehabilitation Act of 1973, 29 U.S.C. §794), and the Americans with Disabilities Act (42 U.S.C. §12101, et seq.). Students are educated in the programs that foster knowledge of, and respect and appreciation for, the historical and contemporary contributions of diverse cultural groups, as well as men and women, to society. Students who feel they have been discriminated against are encouraged to report it to the school district Equity Coordinator. The Equity Coordinator is Doug Tuetken, Maquoketa Valley Community Schools, PO Box 186, Delhi, IA 52223, 563-922-9411.

The Rehabilitation Act

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. In order to fulfill obligations under Section 504, the Maquoketa Valley Community School District has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the program and practices of the school system.

The Maquoketa Valley Community School District has the responsibility under Section 504 to identify, evaluate, and if the student is determined to be eligible under Section 504, to afford access to appropriate educational services.

If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

No Child Left Behind

Parents/guardians in the Maquoketa Valley Community School District have the right to learn about the following qualifications of their child's teacher, state licensure requirements for the grade level and content areas taught, the current licensing status of your child's teacher, and baccalaureate/graduate certification/degree. You may also request the qualifications of an instructional paraprofessional who serves your students in a Title I program or if your school operates a school wide Title I program. Parents/Guardians may request this information from the Office of the Superintendent by calling Mr. Doug Tuetken at 563-922-9422 or sending a letter of request to Superintendent, Maquoketa Valley Community School District, P. O. Box 186, Delhi, IA 52223-0186. The Maquoketa Valley Community School District ensures that parents will be notified in writing if their child has been assigned, or has been taught by a teacher for four or more consecutive weeks by a teacher who is not considered highly qualified.

Statement on Sportsmanship

This message is from our Conference principals and activity directors regarding spectator conduct at our events. We are running this message to remind all of us adults that our children will imitate our behavior at these events, so please take a moment to read this message.

The Tri-Rivers Conference has great schools, full of terrific kids, supported by caring and concerned parents and committed communities. As administrators, in general we feel very positive about our schools and the relationships between our schools. We do strongly believe that the sportsmanship displayed at our games by the majority of our fans, players and coaches is something in which we can all take pride. Granted there are some exceptions, and on occasion we have to address sportsmanship issues on the part of a player, coach or student fan. These relatively rare situations are dealt with as they arise.

We want to make you as parents, our wider community, aware of another more difficult sportsmanship issue. Unlike the scenario at hand above, where an administrator deals with a player, coach or student fan who has displayed inappropriate sportsmanship; this situation is both more common and more difficult to deal with in that the offenders are the adults in our stands. While the vast majority of the parents and other adult fans in the stands conduct themselves in a positive fashion, a very small, but vocal minority chose to ride the referees on nearly every call, taunt other players and coaches and make loud critical comments about our own players and coaches. Some even seem to feel it is OK to use abusive or even foul language. We, as administrators, address these issues when we can; but the reality is that we really shouldn't have to tell adults how to behave. We ought to be able to count on all the adults to conduct themselves in such a way as to serve as a role model for the students in the stands. Again, remember that the vast majority of the adults do take their responsibility in regard to sportsmanship seriously. We just need everybody to do that.

A basic truth in competition is that in every game someone wins and someone loses; but when we focus on that essential fact instead of the learning process we are losers no matter which team comes out on top. High School Officials make mistakes and that is another essential truth. It also is indisputable that everyone reading this letter also makes mistakes. Those occasional errors on the part of the referees do not change the fact that our officials do their best to call a fair, safe and well regulated game. The fact that an adult paid the admission price should not give them the right to use abusive language or continually harass the officials. I doubt there has ever been a single time where an official changed a call because a fan was screaming at him or her. We just need all of our fans to think about why we are here - it is for the kids and the competition and more importantly what that competition can teach our students about life. High School activities are focused on preparing students for the really important roles that they are going to play long after they leave the court or field for the last time, lessons about citizenship, parenting and moral fiber. If we focus on that, then we can all say we are serving as proper role models for our children and putting sportsmanship in its proper place, a place first and foremost in our hearts and minds. Thank you for your consideration of these matters.

Notice on Restraint

State law forbids school employees from using corporal punishment against any students. Certain actions by school employees are not considered corporal punishment. Additionally, school employees may use "reasonable and necessary force, not designed or intended to cause pain" to do certain things, such as prevent harm to persons or property.

State law also places limits on school employees' abilities to restrain, confine and detain any student. The law limits why, how, where and for how long a school employee may restrain or confine and detain a child. If a child is restrained or confined and detained, the school must maintain documentation and must provide certain types of notice to the child's parent.

If you have any questions about this state law, please contact your school. The complete text of the law and additional information is available on the Iowa Department of Education's web site: www.iowa.gov/educate.

Authorization for Student Refusal of School Internet Usage

Maquoketa Valley Community Schools Network (MVCSnet) is a local area network connected to other local, national and worldwide networks. It's purpose is to meet the mission of the Maquoketa Valley Community Schools. It is also to advance and enhance student's access to educational resources, improve teacher resource and training, collaboration and dissemination of successful district and student materials, educational practices and methods. With this accessibility comes a need for appropriate and responsible use. The goal of providing access to teachers and students is to further educational excellence by facilitating resource sharing, innovation, and communication. The use of MVCSnet must be in support of education and research, consistent with student achievement goals and objectives of the Maquoketa Valley Community School District.

Maquoketa Valley Community Schools intends to fully comply with the Neighborhood Children's Internet Protection Act. Compliance includes a technology protection measure in the form of a filter to block, at a minimum, visual depictions deemed as obscene, child pornography, social networks, or harmful to minors.

Any parent/guardian has the right of refusal on respect to their student usage of the MVCSnet provided that the parent/guardian contact the school district in writing to the school district and contact the school district guidance office to complete a notice form.
