

Maquoketa Valley Athletic Booster Membership Drive

2021-2022

The MV Athletic Boosters were established to raise funds to enhance and expand the athletic programs available to each student. Parental involvement is key to student success. While parents of athletes already participate in working concessions for athletic events, the monthly booster meetings are a way to learn more about funding for our athletic programs and to provide input as to how the boosters reinvest in the athletic programs.

- ❖ Funds are primarily raised through our memberships, concession stand profits, annual craft show and youth tournaments.
- ❖ Enhancements funded in recent years include (but are not limited to):
 - Uniforms, warm-ups, and sweats for all programs
 - Weight room equipment and VOLT program
 - New scorer's table in HS gym
 - Play clocks and pads, including electrical & installation costs
 - Baseballs, basketballs, golf balls, new bats, new catcher's gear and other various equipment needs
 - New pitching machine
 - Free lap timer
 - Gym fans

The Athletic Boosters meet the first Wednesday of each month at 6:30pm in the back room at Delhi Landing (watch the Facebook page for any changes). Our next meeting is September 1, please consider attending to hear more about how the student athletes and MV community benefit from this organization. Attending a meeting does not require monetary donations to the boosters.
