June/July 2023

Maquoketa Valley School Community,

I hope the students and staff are enjoying some time away from school and everyone is enjoying some summertime fun. We have many projects we are working on at Maquoketa Valley. The major project is the replacement of the football bleachers. We are anticipating the project to be completed in late August. There was a storage facility under our old bleachers and we are planning on our students building a new storage garage in the fall under the direction of our Industrial Technology teacher, Mr. Palmer.

Below are some computer renderings of the new bleachers. The first photo shows the entry to the new bleachers looking from west to east. You will see that the patio will extend from our current patio directly onto the bleachers. This will make the bleachers very handicap accessible. There is a set of steps to get from the patio to the sidewalk in the bottom of the photo. This is where our patio ends currently. Both the home and visitor bleachers are set back from the track in case there is an interest in the future to expand the track from six to eight lanes.

HOME BLEACHERS

The next photo gives you an idea of what the press box will look like. There are five rooms in the press box. There is also a platform on each side of the pressbox for people to stand outside and videotape. The capacity of the home section of bleachers is 952 plus 8 handicap seats. The handicap seats are not shown in this rendering but there will be several sections cut from the first row of seats allowing wheelchairs to back up to the second row.

The last rendering shows the visitor bleachers looking from the seat to the east. This set of bleachers has 232 seats plus 5 handicapped seats. As shown in this picture, there is a handicapped accessible ramp on the west side and a set of steps on the east side. We believe this project will be a great addition to Maquoketa Valley that will last for generations.

Maquoketa Valley Wraps Up FOUR Scholastic Book Fairs: Books, Books, and More BOOKS!

The Scholastic Book Fair visited Maquoketa Valley from March 15 through March 23 in Delhi, Earlville, and Hopkinton. Students spent these days creating Wish Lists, previewing the Book Fair, and participating in a Pre-8 Coin War. The hallways were buzzing with an eagerness to earn some new books for our district classrooms and libraries. The Coin War took place the week of March 14-17 with the winners earning special prizes as they brought in pennies, nickels, dimes, and quarters. The competition got fierce as each Pre-5 classroom was eager to win privileges such as lunch in the classroom, extra recess, chewing gum in the classroom, read and feed days, and other incentives. The elementary students (Pre-5) were able to raise \$3,699.95 to purchase new books for their classrooms (Earlville: \$323.81; Johnston: \$1,172.77; Delhi: \$2,203.37). This is a \$200+ increase from last year which equals about 25 more books for classrooms! The Middle School students (grades 6-8) got excited about a separate bank of prizes: Hat Day, Choose the School's Lunch, BINGO! during WIN, and others - with the largest incentive being a Movie in the Auditorium. For every \$25 earned per English class, the students would cash in on another incentive. The Middle School students were able to raise \$1,010.19 to purchase new books for their English classrooms. This smashed last year's total of \$846.86 and was by far the most earned in the eight years that the Middle School has participated in the Coin War! With the money earned over the course of the Coin War, teachers were able to purchase hundreds of new books for their classrooms (Pre-8). The students were thrilled! Check out the pictures of some of the new classroom books on our MV Facebook page. Again this year, students were able to make purchases from the Book Fair during school hours. Using their Wish List to guide them, students came to the Book Fair during the school day and found books that made their hearts and minds happy to read. They were able to walk away from the Book Fair with their new book(s) in hand to take home! All of this excitement spilled over into the following week when the Book Fair opened to the public for two nights during Spring Conferences (March 21 and March 23). With the profit earned from this year's Book Fair, our district libraries will be able to purchase new books using Scholastic Dollars this school year with many more to be purchased during the upcoming 2023-2024 school year. A big "THANK YOU" to the families who donated to the Coin War, to all those who purchased from the Book Fair, and to everyone who contributed to the success of MV's Scholastic Book Fair this year -- our classrooms, libraries, teachers, and students benefit greatly from your support!

-- Audrey Moenck, Book Fair Chairperson (audreymoenck@maquoketa-v.k12.ia.us)

Work Experience Shout Out!

The purpose of the Work Experience course is for the students to establish an employee-employer relationship in some local business or industry. Students have been placed within the school or in a community work site to explore various job skills. This career exploration opportunity can be a paid or unpaid experience. Students can work 1-2 class periods per day at the worksite and earn one or two credit hours per semester.

Several of our seniors participated in a Work Experience course this past school year at various job sites in the local area. The sites included Stanley Infrastructure, Delhi Thrift Store, Delhi Public Library, Shover Farms, and Norby's. In the past, students have also participated in a work experience course at Delhi Landing.

The partnership with local businesses provides a multitude of opportunities for our students to continue to learn and grow in their employability skills. Thank you to all of the local businesses for their continued support of Maquoketa Valley Schools.

NHS converted to service organization

Due to affiliation costs and duplication of recognition, MV will discontinue its membership to National Honor Society and will instead begin a service program for students. Students will be made aware of service opportunities, given opportunities to lead service projects, held responsible for tracking their service hours and accomplishments, and recognized publicly at graduation (indication in the program and by a cord/medal).

The goal is to recognize students who have contributed to their community or school by volunteering their time and talents. An increasing number of scholarship applications require applicants to list service experiences. Additionally, volunteer time often leads to employment and future educational opportunities as well as helps students to understand the connection between school, work, and community.

What counts as "service"? Service for this purpose is defined through the voluntary contributions made by a student to the school or community, done without personal compensation or classroom credit. Examples include coaching youth teams, helping at church or community events, managing/keeping stats/video recording an athletic team, setting up for speech or FFA contest or assisting at contest, working on set for drama, volunteering at the public library or fire department, mentoring, serving as a teacher assistant, etc.

This program will begin this summer, and students will be phased into it:

- Class of 2024: 225 hours from June 2021-May 1, 2024
- Class of 2025 and beyond: 300 hours

May 2023 Fine Arts Boosters Minutes

The May meeting of the MV FAB met April 30th at the High School Library and called to order at 5:09pm by President Tiffany Nolan. Members present: K. Ambundo, R. Moriarity, R. Hoefer. Faculty present: Mr DeVore. March Minutes were read and approved without any corrections or additions.

Treasurer's report: balance on hand as of March 31st \$45,809. Most recent bills were for: food \$615.49(soup supper), food \$248.72 (jazz choir contest). Deposits \$1040 (soup supper) and \$360(hosting jazz contest).

Old Business: Kaylee will be the Fine Arts Booster representative for the Dollar for Scholars night. Mr DeVore will get the invoice for the engraving of the plaques to be paid. We authorized in the April meeting to give the spring play \$500 for costumes and supplies.

Unfinished Business: Mr DeVore shared quotes for the carts and JBL speaker. The quotes were reviewed and approved motioned by Ryan and seconded by Kaylee. The quote for the carts are \$250 each—need 2 for speech boxes and speaker \$100. Mr DeVore will be reviewing options for a camcorder and wireless microphones that are needed to upgrade and will get them to us when available. Reviewed option to invest a portion of our money into a CD. Motioned by Ryan to invest \$25,000 into a CD and seconded it by Rhonda. Rhonda will follow up with Erika Imler regarding a CD. Rhonda will email Mr Ford and Ms McCrary regarding scholarship options for Summer Camps and if Mr Ford is planning to do summer band lessons. Mr DeVore will follow up with Matt Wall regarding the screen. Mr DeVore stated he will not be able to do anything with it till after school is completed.

New Business: Tiffany brought up that Jennifer will need to learn how to complete POs as Treasurer. We need to complete a PO request for \$250 for Dollars for Scholars scholarship. FAB gives out 2. Rhonda will follow up with Mr Kramer regarding what we need to add to our scholarship account so it is able to provide both scholarships. Post Prom donated 7 flats of water to the spring play; anything not used by the Spring Play can be given to the Little League.

Upcoming Events:

- May 2nd Senior Awards Night Concert
- May 5th and 7th Spring Play
- May 9th Speech and Drama Awards Banquet
- May 15th Middle School Spring Concert

Meeting adjourned at 6:30pm.

I am aware in signing this document that certain risks and dangers exists in the activities in which my child or I may be participating. I acknowledge that while Delaware County Conservation Board (DCCB) staff will make every reasonable effort to teach my child or me proper safety and minimize exposure to known risks, all dangers associated with these activities cannot be foreseen. These risks may include, but are not limited to, the loss or damage of personal property, injury due to inclement weather, slipping, falling, insect bites, falling objects, hyperthermia (heat or cold exposure), or suffering any type of accident or illness in remote areas without immediate access to medical facilities, or while traveling to or from activity sites. I have a personal responsibility to make sure my child and I understand and follow the safety standard, guidelines, and procedures established by the DCCB staff or other medical personnel to treat my child or me in an emergency situation. Also by signing below you will agree to the Delaware County HIPPA privacy report notice because of the Emergency Medical Information you have filled out. The report states that DCCB will not give out any personal information to the public.

If my child will be taking any medications, it will be sent in the prescription bottle with clear instructions as to when it should be taken. The medication shall be in the care of the DCCB staff and will be dispensed as prescribed.

I understand that the programs at DCCB are subject to inclement weather. In the case of necessary changes, I understand a program of equal value will be substituted and my program fee will be used for this purpose. Weather related refunds are not allowed as long as a program continues.

I also agree, unless I explicitly request otherwise, that photographs taken during this program may be used for promotional purposes by DCCB.
