

# SIMPSON COLLEGE

September 29, 2023

Dear Iowa High School,

Simpson College introduced two new full-tuition scholarship programs that are expected to substantially increase the number of new, first-time enrolling students from Iowa who qualify for free tuition in Fall 2024.

Simpson College's **All-In for Iowa** plan consists of The Simpson \$100K Promise and 99 County Full-Tuition programs. Both incorporate federal and state aid awards with Simpson scholarship funds to cover full tuition.

The first initiative, Simpson's \$100K Promise, pledges full-tuition support for admitted students whose family's adjusted gross income is \$100,000 or less. The \$100,000 income threshold represents a 67 percent increase over Simpson's previous Promise program of the past six years.

The second initiative, 99 County Full-Tuition, ensures that at least one admitted student from each of Iowa's 99 counties will be eligible to receive a full-tuition scholarship. Those scholarships will be awarded via a committee selection process, which includes consideration of both financial need and academic merit.

Both first-year students and transfers will be eligible for the programs in Fall 2024. Students must submit a Free Application for Student Financial Aid (FAFSA) and be deemed eligible for federal aid. In addition to being full-time, first-time enrollees at Simpson, students must live on campus and participate in one of the College's meal plans at their expense. Students will be eligible for the \$100K Promise on a rolling admission basis while the 99 County Full-Tuition program will have a priority deadline of February 15, 2024.

Simpson College is more than excited to provide these programs and have included some promotional materials to introduce these great opportunities to your high school seniors. Please do not hesitate to reach out should you or your students have any questions.

Roll Storm,

Leigh Mlodzik, VP of Enrollment  
Simpson College
