

2025-2026 MVCSD REGISTRATION

Hello Wildcat Nation,

Hopefully, this email finds you all healthy and enjoying your summer thus far. It's that time of year again, and school will be here before you know it! We have been getting quite a few notifications on Bound of physicals that are expiring or are close to expiring. These will need to be taken care of before any student-athlete can practice in their respective sport.

This year, for athletics, we are going to modify a bit how we handle registration for sports. We understand that this is a busy time of year and don't want this to be a stressful process for you. Therefore, you will have a couple of different options for turning in your Physical, Insurance Waiver, and Heads-Up Concussion forms. These forms can be picked up at either the high school or middle school office or can be found on the Maquoketa Valley School District Website (www.maquoketa-v.k12.ia.us/families/policies-forms-handbooks/). Click on the Athletic Forms, and there you will find everything you need. This year, if you would rather fill these forms out at home and bring them to school, that is perfectly fine. We can upload them here. **These forms MUST BE turned in to your coach, the high school, or middle school office before your son or daughter is allowed to practice.**

If you know how to upload the registration information into Bound, please feel free to do so. We encourage it! It is extremely easy to do, and you can do it solely from a smartphone. Everything will still be facilitated and managed through Bound; that is something that is not going to change. All activity registrations are now open and ready to be filled out for the 2025-2026 school year. Just a reminder, the necessary paperwork is: Insurance form (provided on bound), Concussion form (provided on bound), and Physical (completed by physician).

When starting to upload your information, please be sure you are entering your information in the 2025-2026 school year. This will need to be changed in the upper left-hand corner of the Bound website.

I have included below a photo that you, as parents or guardians, will scan and then follow the steps required to get your students registered.
