

To whom it may concern,

Hello, we are Kenny Conlin and Zach Post, and we are contacting you on behalf of Beta Sigma Psi, a National Lutheran Fraternity, at Iowa State University. We are the Scholarship Coordinators for 2025-2026, in addition to being Recruitment Chairmen for the Iowa State Chapter of Beta Sigma Psi. We are pleased to inform you that Beta Sigma Psi will be providing **three \$2,000 scholarships and one \$1,000 scholarship** to men attending Iowa State University in the Fall of 2025. These men are not required to join Beta Sigma Psi to receive the \$2,000 scholarships. If you could please post the link to the application (posted below) on your scholarship webpage and display the enclosed scholarship flyer, we would greatly appreciate it!

Beta Sigma Psi is composed of 40-50 men and is located in the heart of Iowa State's sorority and fraternity community. Our chapter house provides a comfortable and well-kept home for our members. The cost of living at our chapter house is lower than university housing and is located only a block from campus. We are founded on three core values:

- **Scholastic** - We are consistently in the top 10 out of 30+ fraternities on campus when measured by grade point average. In the Spring 2022 semester, we had the second highest fraternity GPA of 3.44. The All-Greek GPA at Iowa State is usually higher than the All-University GPA, and we continue to place at or near the top of the All-Greek GPA rankings. Beta Sigma Psi also provides structured mentorship and advising, free university tutoring, complimentary printing, and \$20,000 available to members in scholarships.
- **Social** - We are fully active in all Greek activities such as Homecoming and Greek Week during the school year, along with other planned social activities. There's always something going on, whether that be spontaneous bowling or golf outings, going to an away football game, or various games at the house.
- **Spiritual** - We were founded at Memorial Lutheran Church in 1949, and it has been our home church ever since. The men of Beta Sigma Psi are also involved in other on-campus ministries such as Kairos, The Navigators, and Salt Company, at various churches such as Lutheran Church of Hope, Cornerstone, St. Thomas Aquinas, and many others. We prioritize community involvement and participate in various service organizations such as the Puppy Jake Foundation and Habitat for Humanity.

Thank you for your cooperation in communicating this scholarship to the students of your school. It will help us in our effort to aid Christian men in their pursuit of higher education, and it will be of great benefit to your students to receive scholarships.
