## Who We Are

First Friday Breakfast Club is an educational forum that embraces the LGBTQ+ community and its allies as members, nourishes meaningful dialogue through monthly speakers, and cultivates young advocates for equity and inclusion by awarding leadership scholarships to graduating Iowa high school seniors.

Founded in 1996, First Friday Breakfast Club continues to evolve and to serve as a safe haven for all LGBTQ+ members, allies, and guests. What began as a few friends deciding to meet regularly for breakfast, soon grew into one of Iowa's largest breakfast clubs.

The FFBC scholarship is funded through the generous contributions of our members and supporters in both the LGBTQ+ and straight communities.

Dear Iowa High School Guidance Counselor,

Annually, the **First Friday Breakfast Club**, based in Des Moines, awards scholarships to graduating Iowa high school seniors committed to reducing homophobia and increasing awareness and tolerance of lesbian, gay, bisexual, transgender, and queer (LGBTQ+) issues in their schools and communities. Awards will be made in the amount of **\$3,000** per student. **Due to the incredible generosity of our donors, this past year we were able to present 20 scholarships for \$3,000 each to Iowa students!**

Scholarship recipients represent a cross section of students from all Iowa high schools, from urban and rural districts and both public and private schools. These students are leaders in academics, athletics, drama, and art. Each has committed their time and talents to helping others to understand and to appreciate the diversity and contributions their LGBTQ+ friends bring to their schools and communities. There are no restrictions in the selection procedure based upon race, religion, creed, marital or employment status, sexual orientation or gender identity/ expression of the applicant. **Students are selected based upon academic and personal information and essays submitted in the online application.**

### We ask that you please:

- provide the scholarship information from this letter and the enclosed brochure to students who you know who might qualify,
- pass the information on to any other counselors, teachers, or GSA sponsors in your school system who may have contact with qualifying students,
